NOTIFICATION.

No. 5601L.—25th February, 1932.—It is hereby notified for general information that at the meeting of the Bengal Legislative Council held on the 22nd February, 1932, a motion was carried that the Bengal Tenancy (Amendment) Bill, 1931, by Maulvi Syed Majid Baksh, M.L.C., be circulated for the purpose of eliciting public opinion thereon by the 31st May, 1932. Expressions of opinion by public bodies or by individuals interested in the said Bill which is published together with its Statement of Objects and Reasons in this Gazette should be sent so as to reach the undersigned before that date.

G. G. HOOPER,

Secy. to the Bengal Legis. Council (offg.).

THE BENGAL TENANCY (AMENDMENT) BILL, 1931.

A

BILL

further to amend the Bengal Tenancy Act, 1885, as amended by the Bengal Tenancy Amendment Act (Bengal Act IV of 1928).

Preamble.

WHEREAS it is expedient further to amend the Bengal Tenancy Act of 1885 as amended by the Bengal Tenancy Act of 1928 in the manner hereinafter appearing ;

AND WHEREAS the previous sanction of the Governor General under sub-section (*3*) of section 80A of the Government of India Act has been obtained to the passing of this Act ; 5 & 6 Geo. V. c. 61 ; 6 & 7 Geo. V. c. 37 ; 9 & 10 Geo. V. c. 101.

It is hereby enacted as follows :—

Short title and commencement.

1. (*1*) This Act shall be called the Bengal Tenancy (Amendment) Act, 1931.

(*2*) It shall come into force at once.

Amendment of section 148 of Act VIII of 1885.

2. In section 148 after the words " suits for the recovery of rent " the words " and for enhancement of rent " shall be added.

Amendment of section 148.

3. In section 148, clause (*h*), after the words " notwithstanding anything contained in rule 4 (*3*) of Order XXXII in Schedule I to the Code of Civil Procedure, 1908, the Court may serve on the natural guardian of a minor defendant in a suit for arrear of rent " the words " and for enhancement of rent and in execution proceedings of such decrees " shall be added.

Amendment of section 148.

4. To section 148 the following sub-section be added after (*h*) : —

" (*hh*) The Court may, in addition to the service of the notice mentioned in sub-section (*h*), issue a registered post-card upon the natural guardian of the minor defendant and the cost of such registered post-card shall be paid by the plaintiff."

STATEMENT OF OBJECTS AND REASONS.

Under the provisions of the Bengal Tenancy Amendment Act IV of 1928 a natural guardian may be appointed as guardian *ad litem* of a minor defendant in a rent suit even if he does not appear before the Court and give his assent to such appointment. The result is that the parties are not saddled with further cost in the shape of a guardian fee which ultimately devolves upon the tenant ; for some time this procedure was followed in execution of rent decrees and in suits for enhancement of rent. But by a letter No. 28G., dated the 3rd January, 1930, addressed to the District Judge of Jessore, the Registrar of the Hon'ble the High Court directed that guardian fees shall be payable in execution of rent decrees and in suits for enhancement of rent. This is anomalous. If guardian fee is not payable for obtaining a rent decree it should not be payable for executing the decree. A suit for enhancement of rent is necessarily a rent suit as it is brought under the provisions of the Bengal Tenancy Act. Hence if guardian fee is not payable in rent suits it should not be payable in suits for enhancements of rent. Moreover, it ultimately devolves upon the poor tenant as an additional burden.

To remove this anomaly and this hardship this amendment has been brought.

THE CALCUTTA MUNICIPAL (AMENDMENT) BILL, 1931.

A

BILL

to amend the Calcutta Municipal Act, 1923.

Preamble. WHEREAS it is expedient to amend the Calcutta Municipal Act, 1923, in the manner hereinafter appearing so as to redistribute the areas of Wards Nos. 28 and 29 with a view to equalize the areas of the said Wards;

It is hereby enacted as follows: —

Short title. **1.** This Act may be called the Calcutta Municipal (Amendment) Act, 1931.

Commencement. **2.** It shall come into force on such date as the Local Government may, by notification in the *Calcutta Gazette*, direct.

Amendment of Schedule VII. **3.** (*i*) In Schedule VII, column 3, against Ward No. 28, for the expression "Narikeldanga Main Road" the expression "Maniktola Main Road" is to be substituted.

(*ii*) In Schedule VII, column 4, against Ward No. 29, for the expression "Narikeldanga Main Road" the expression "Maniktola Main Road" is to be substituted.

STATEMENT OF OBJECTS AND REASONS.

The Bill is intended to remove the difficulties that the residents of Ward No. 29 feel in having their needs being attended to by one elected Councillor. It follows as a matter of consequence that it is impossible for one Councillor to attend to the needs of residents of such a large area. It will be remembered that under the old Maniktola Municipality there were three Wards Nos. 1, 2 and 3 which, after its amalgamation with the Corporation of Calcutta under the new Calcutta Municipal Act of 1923, were reconstituted into two Wards, Nos. 1 and 2 of the old Municipality being practically reformed as Ward No. 29 under the new constitution The result has been that while the old Ward No. 3 of the old Maniktola Municipality with its lesser area and lesser number of voters has been given two elected Councillors, Ward No. 29, which was originally Wards Nos. 1 and 2 of the old Maniktola Municipality, with its larger area and greater number of voters has been given only one elected Councillor. The amendment proposed only aims at the removal of the several difficulties of the said Ward by suggesting that a portion from the southern side of Ward No. 29, as indicated in the amendment, will be transferred to Ward No. 28, while the said latter Ward will retain its two elected seats. And it will remove a portion of the congestion of Ward No. 29 and will leave the affairs of the ratepayers of the said Ward at whose instance the Bill is being introduced in the Council to be properly looked after by one elected Councillor.

Explanation.—In this section the expression 'under restraint' has the same meaning as in section 11."

Amendment of section 15.

6. To section 15 of the said Act, the following shall be added, namely :—

" and anything done and any action taken under the provisions of the Bengal Criminal Law Amendment Ordinance, 1931, shall be deemed to have been done or taken under the provisions of this Act as amended by the Bengal Criminal Law Amendment Act, 1932, as if this last Act had commenced on the twenty-ninth day of October, 1931." STATEMENT OF OBJECTS AND REASONS.

The Bengal Criminal Law Amendment Ordinance, 1931, expires on the 28th April, 1932. Recent events have unfortunately shown that the provisions of the Ordinance cannot safely be allowed to lapse. The Bill provides that the Bengal Criminal Law Amendment Act, 1930, shall be amended substantively on the lines of the Ordinance.

2. The Bill also extends the power to search any place and seize any property to places and property outside the jurisdiction of the officer empowered under sub-section (*2*) of section 4. It also makes cognizable and non-bailable offences under section 6 of the Act and amends the section relating to allowances to persons under restraint and their dependants so as to allow the Local Government to take into consideration other sources of income of détenus or their dependants, when fixing allowances, and to make allowances in cash, or kind, or both to the former class.

Short notes on the different clauses are given below.

Clause 2.—This reproduces the provisions of the Bengal Criminal Law Amendment Ordinance, 1931, which will lapse on 28th April, 1932, and must be replaced by an Act before that date.

Clause 3.—Great difficulties have been experienced in making searches under section 4(*2*) because the power of search is at present limited to the officer who makes the arrest, and to the time of making the arrest. It is proposed to grant powers of requiring or causing search, similar to those granted by section 166(*1*), Criminal Procedure Code, to a police officer not below the rank of sub-inspector making an investigation.

Clause 4.—At the time the Bengal Criminal Law Amendment Bill, 1930, was under discussion in the Legislative Council an amendment to section 6 was accepted, reducing the term of imprisonment from three to two years. It was not noticed at the time that the amendment altered the incidents of the offence under columns 3, 4 and 5 of Schedule II to the Criminal Procedure Code. This effect was not intended and the purpose of the present clause is to restore the offence to its former category as cognisable and non-bailable, and one for which a warrant shall ordinarily issue in the first instance.

Clause 5.—Under the law as it stands at present the Local Government are not authorised, when fixing allowances for détenus or their wives or near relatives who are dependent on them for support, to take into account other sources of income which are unaffected by the detention. It is proposed to remove this omission. Further, under the law as it stands at present, allowances to détenus must be in cash and it is not open to Government to provide instead meals or rations. This had led to difficulty on occasions, and it is proposed to give Government the power to make allowances in cash or kind or both, as the circumstances may require.

Clause 6.—This includes the Bengal Criminal Law Amendment Ordinance, 1931, in section 15 of the principal Act to avoid any hiatus.

Clauses 7 and 8.—These reproduce the amendments which were made to the First and Second Schedules of the Act by the Bengal Criminal Law Amendment Ordinance, 1931.

Member-in-charge.

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 25th February 1932.

Second Forecast of the Spring Oilseed Crops of Bengal, 1931-32.

(NOTE.—On an average of the five years ending 1929-30, the area under linseed in Bengal has represented some 3·6 per cent., and that under rape and mustard 11·4 per cent. of the total areas under these crops in British India.)

Character of the season.—As reported in the second forecast issued in December last, the sowings commenced in the usual time except in some East and North Bengal districts, where the operations were somewhat late owing to late subsidence of flood water. Subsequent dry weather since the second week of November proved helpful to the germination and growth of the crops, but the drought being prolonged up till the end of January has affected their growth to some extent. On the whole, however, the crop is expected to be a satisfactory one for the province this year.

Area sown.—Oilseeds are chiefly grown in the Rajshahi, Dacca and Presidency Divisions. In the other two divisions the cultivation is small. The total area under these crops (excepting sesamum for which separate forecasts are issued) is returned at 940,700 acres this year as against 914,800 and 933,400 acres, respectively, in the corresponding and final forecasts of last year.

Outturn.—From the District Officers' estimates, the average outturn of the different oilseed crops of the province works out at 82 per cent. of the normal as against 83 and 82 per cent. reported, respectively, in the corresponding and final forecasts of last year.

R. S. FINLOW,

Director of Agriculture, Bengal.

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 24th February 1932.

Second Forecast of the Wheat Crop of Bengal, 1931-32.

(NOTE.—On an average of the five years ending 1929-30, the area under wheat in Bengal has represented some 0·4 per cent. of the total area under wheat in India. The ratio of the irrigated wheat acreage to total wheat acreage in (*a*) British India and (*b*) in the territory now reported on has, in the five years ending 1929-30, averaged (*a*) 39·7 and (*b*) 11·2 per cent., respectively.)

Character of the season.—As stated in the first forecast, the weather was generally favourable at sowing time. Subsequently dry weather in December also proved beneficial, but the drought continuing during latter month has affected the growth of the crop to some extent. On the whole, however, a satisfactory crop is expected this year.

Acreage.—According to the estimates of District Officers, the total area sown amounts to 145,100 acres this year as against 141,800 and 142,900 acres, respectively, in the corresponding and final forecasts of last year.

Outturn.—The average provincial outturn, as worked out from district estimates, is 85 per cent. as against 85 and 75 per cent., respectively, in the corresponding and final forecasts of last year.

Director of Agriculture, Bengal.

For the week ending on the 24th February 1932.

Summary.—During the week light rainfall was almost general throughout the Presidency. It has been beneficial to the standing crops generally and is facilitating the ploughing of lands for jute and paddy. Cutting of tobacco leaves and gathering of mustard and pulses have commenced. Distress prevails in parts of Rangpur, Bogra, Pabna and Mymensingh where 1,412, 1,027, 5,777 and 862 persons, respectively, attended the test relief works. In Mymensingh 598 persons received gratuitous relief. The average price of common rice for the Province has slightly fallen as compared with that of the previous week.

GOVERNMENT OF BENGAL.

RESOLUTION—No. 3035 L.R.

CALCUTTA, THE 29TH FEBRUARY 1932.

Read—

Memorandums Nos. 1859 R.G. and 2142 R.G., respectively, dated 1st October 1931 and 5th November 1931, from the Commissioner of the Presidency Division submitting final reports on test relief works and relief operations in the district of Murshidabad during a period of one year from August 1930.

The reports deal with the operations for the relief of distress in Shamserpur and Suti thanas in the Jangipur subdivision and in the Jalangi thana of the Sadar subdivision in the district of Murshidabad. The total area affected in the Jangipur subdivision was about 50 square miles with a population of about 30,000.

In the Jangipur subdivision lac yields a considerable income and the general economic depression and the failure of lac for the last two or three years had affected the population.

Signs of distress appeared in the middle of August 1930. The failure of the crops was so serious that at several places people besieged the houses of mahajans and demanded loans. Timely action prevented any actual breach of the peace. Jute and *Aus* paddy had been sown late on account of late rainfall and were damaged by floods before they became ripe for harvesting. The area affected in the Jalangi thana of the Sadar subdivision was 30 square miles with a population of about 15,500 mainly dependant on the *Bhadoi* and *Chaitali* crops as winter paddy is not grown in this tract. The distress began in June 1931 and was due to failure of the *Bhadoi* crops of 1930-31 owing to partial drought at the sowing season and early floods from the Padma (Ganges) river. The *Chaitali* crops also were damaged by the untimely rainfall in January and February 1931. The general economic depression also caused contraction of credit and dearth of employment in both areas.

2. The duration and degree of distress were not however such as to necessitate at any stage of the operations, the declaration of scarcity or famine under section 74 of the Bengal Famine Code, 1913.

3. Relief measures were promptly undertaken by Government and the district board as follows :—

Gratuitous relief.—Two centres were opened for the distribution of gratuitous relief in the Sadar subdivision—one at Kazipara and the other at Jalangi. At both the centres gratuitous relief was given in the shape of distribution of rice to the old, infirm and children, but in addition to this relief paddy-husking work was given to women at Kazipara centre. For gratuitous relief and paddy-husking Government sanctioned Rs. 2,100, and Rs. 200 was received from the President of the Charity Performance Committee, Berhampore. The total number of persons gratuitously relieved was 1,087.

Test relief.—Test relief works consisted of repairs and improvement of roads. In the Jangipur subdivision 12 miles and in the Sadar subdivision 18 miles of unmetalled district board roads were repaired and improved by employing 46,805 persons at a total cost of Rs. 12,875 out of which Rs. 10,200 was advanced by Government. In the Jangipur subdivision works were started on 5th September 1930 and lasted till 26th October 1930 and in the Sadar subdivision they were started on 24th June 1931 and closed on 15th August 1931. The works are of a permanent nature and of distinct public utility.

Agricultural loans.—Agricultural loans were given to the people in the Jangipur subdivision amounting to Rs. 25,000. About 8,000 families were benefited by the agricultural loans.

4. The Governor in Council is satisfied that the measures taken for relief of distress were successful and adequate. He desires to record his appreciation of the good work done by Mr. J. M. Chatterji, the Collector, Rai Sahib Phani Bhusan Mitra, Sadar Subdivisional Officer, Mr. G. C Sen, Subdivisional Officer, Jangipur, Mr. N. G. Singh, Second Circle Officer, Berhampore, and the District Board of Murshidabad.

ORDER—Ordered that this resolution be published in the *Calcutta Gazette*.

Tippera.—No. 467P.H.—4th March 1932.—In exercise of the power conferred by section 221 of the Bengal Municipal Act, 1884 (Bengal Act III of 1884), and upon the application of the Commissioners of the English Bazar Municipality made in pursuance of a resolution passed at a meeting specially convened to consider the question, the Government of Bengal (Ministry of Public Health) are pleased to extend all the provisions of Part VII of that Act to the said municipality.

Malda.—No. 439P.H.—1st March 1932.—In exercise of the power conferred by section 290 of the Bengal Municipal Act, 1884 (Bengal Act III of 1884), the Government of Bengal (Ministry of Public Health) are pleased to make the following rules subject to which the Commissioners of the English Bazar Municipality may allow communication-pipes to be laid down from the service-pipes of the Commissioners for the purpose of leading water to premises for domestic purposes only:—

Rules.

So long as the Commissioners deem it practicable and consistent with the maintenance of an efficient water-supply, they may grant to any owner or occupier of a holding paying a water-rate imposed under the provisions of Part VII of the Bengal Municipal Act, 1884, on the annual value of such holding, when such annual value is not less than Rs. 200, a connecting-pipe from the service-pipes of the Commissioners for the purpose of leading water to such holding for domestic purposes only.

1. The owner or occupier of any holding requiring water to be laid on to such holding for domestic purposes must apply for the same on the printed form A to be supplied free of cost at the municipal office. The conditions subject to which a house connection will be given are set out in the form, and the owner or occupier shall sign the statement undertaking to observe the rules before a house connection will be given.

2. A fee of Rs. 50 shall be paid to the Commissioners by such owner or occupier for each connection to a municipal main supply-pipe before any work is commenced, such fee to be in addition to all other costs and charges imposed under these rules.

3. Each holding must have a separate connection to the municipal main supply-pipe, and an extension from the communication-pipe of one holding to another holding shall not be permitted.

4. The connection shall consist of two portions—

(*a*) the service-pipe from the street main to the boundary of the holding, including ferrule, stop-cock and check-pipes;

(*b*) the storage tank (or tanks) with service-pipe connecting to it from the boundary of the holding, also outlet-pipes, taps and other accessories as required.

5. The items referred to in clause (*a*) of rule 4 shall be provided and fixed by and at the expense of the Commissioners, and such pipes and fittings shall remain as their property.

6. The items referred to in clause (*b*) of rule 4 shall be provided and fixed at the expense of the owner or occupier and shall be maintained by him in good working order. The tank is to be suitably covered and protected, and is to be provided with locked lid, ball-valve, stop-valve and overflow pipe.

7. The owner or occupier shall not permit the service-pipe, including the items referred in clauses (*a*) and (*b*) of rule 4 or any part thereof, to be altered, removed or interfered with by any person other than an authorised representative of the Commissioners, who shall be empowered by the Commissioners to alter or adjust the service-pipe as may from time to time be necessary for the maintenance of the requisite flow of water.

8. The tank referred to in rule 4 (*b*) shall be durable and water-tight, and the ball-valve and other fittings shall be exact duplicates of standard samples kept in the office of the Commissioners and approved by them at a meeting. The storage tank or tanks shall be cleaned and sterilized quarterly at the expense of the owner or occupier under the supervision of the officers of the municipality.

9. Every storage tank shall be fitted with an overflow-pipe, the end of which shall project over the wall of the house and shall be placed in a conspicuous position. Discharge of water from the overflow-pipe means that the ball-valve is failing to function, and the owner or occupier shall notify the waterworks officers every time he finds such discharge occurring.

10. Every owner or occupier of any holding in respect of which a connection has been made under these rules shall be entitled to a supply of water in proportion to the water-rate paid by him in respect of such holding, according to the following table:—

RULES FOR STATE SCHOLARSHIPS.

PART I.

1.—GENERAL.

1. Classes of State scholarships.—Subject to the provision of funds for the purpose, the following classes of State scholarships are awarded by the Government of Bengal for study abroad:—

(*i*) University scholarships.

(*ii*) Scholarships for Indian women.

(*iii*) Indian teachers' scholarships.

(*iv*) Language scholarships.

Details of these scholarships are given in the succeeding rules.

2. Where State scholarships are tenable.—State scholarships are ordinarily tenable only in the United Kingdom, but, with the sanction of Government, they may be made tenable in any country outside India.

3. Candidates eligible for State scholarships.—State scholarships are awarded only to candidates (*i*) who are natives of the province of Bengal, or who have a permanent domicile within this province, or who hold permanent posts under the Government of Bengal, and (*ii*) who fulfil the special conditions applicable to the scholarships for which they submit their candidature.

4. Applications.—Candidates for State scholarships must submit an application in their own handwriting. Each such application must include not less than two character testimonials from Professors or other responsible persons to whom the candidate is known, a statement of the candidate's academic qualifications, an indication of the special line of research or study which he or she desires to pursue and a medical certificate as evidence of his or her physical fitness to undergo a course of study abroad.

NOTE.—This rule shall not apply to the scholarships awarded for the professional training of Indian teachers of secondary schools. Applications shall not be entertained for such scholarships, but the selected candidates shall be required to produce medical certificates as evidence of their physical fitness to undergo a course of study abroad.

5. Nominations.—The selection of scholars will be made by the Government of Bengal in all cases in accordance with such procedure as may from time to time be prescribed. When a candidate for a

State scholarship is already resident in the United Kingdom, the High Commissioner for India will be consulted about him before final selection.

6. **Details to be furnished to the High Commissioner regarding selected candidates.**—Each candidate selected for a State scholarship shall be required by the Director to submit to him a statement in the form prescribed in Appendix A.

7. A copy of this statement and of the enclosures thereto shall be forwarded by the Director to the High Commissioner for India, so as to reach him six months before the scholar's arrival in England. The High Commissioner should simultaneously be advised of any special suggestion that may have been made by Professors or other educational authorities regarding the course of training which a particular scholar may advantageously follow.

NOTE.—The exact course of study or training or the institution at which it is to be pursued should not be too rigidly defined but should be left to the discretion of the High Commissioner, who, whilst bearing carefully in mind the special purpose of the scholarship, would decide the most suitable University or College. Scholars will not, without the knowledge and permission of the High Commissioner, be allowed to apply direct for admission to a University or College in the United Kingdom. The High Commissioner will be prepared to consider the personal wishes of a scholar if he considers that they are likely to meet the purpose for which the scholarship has been awarded.

8. **Consultation with local University Students' Information Bureaux.**—Selected scholars should communicate with the local University Students' Information Bureau to obtain any information or advice they need and they should, when proceeding to England, take with them the originals of their certificates, diplomas, testimonials and such other important personal documents as may be suggested to them by the local Secretary of the University Students' Information Bureau.

9. **Passages.**—Selected scholars are required to proceed to the United Kingdom or such other country, in which the scholarships awarded to them are made tenable, within a reasonable time from the date of their selection and to reside there for the period of the tenure of their scholarships, unless compelled by ill-health to return to India before the expiry of that period. In the case of scholars, whose scholarships are made tenable in the United Kingdom, they should time their departure so as to arrive there not later than the middle of September.

10. **Execution of Bonds.**—Selected scholars are required to execute a bond in the prescribed form (*see* Appendix B) undertaking to repay the amount of scholarship they have received, if they fail to return to India when instructed by the High Commissioner to do so.

11. **Guarantee of employment.**—The award of a scholarship does not carry with it any guarantee of subsequent employment under Government, nor can any expectation of such employment be held out to any scholar.

II.—RULES REGARDING DIFFERENT CLASSES OF STATE SCHOLARSHIPS.

12. University scholarships.—(1) Two University scholarships are awarded every alternate year to Indians, who are natives of the province of Bengal or who have a permanent domicile therein, for the purpose of general study. They are tenable for three years in the United Kingdom and are each of the annual value of £240 *plus* approved University and College fees at Universities other than Oxford and Cambridge. At Oxford and Cambridge they are of the value of £360 when scholars are in collegiate residence and of £325 when they are in non-collegiate residence. The scholarships shall be awarded to the two best candidates—preferably one Muhammadan and one non-Muhammadan—irrespective of the Universities to which they belong.

(2) Candidates for these scholarships must be in possession of a first class degree and, other things being equal, preference will be given to candidates whose age does not exceed 25 years.

13. Scholarship for Indian women.—(1) One scholarship for the study of educational or professional courses is awarded triennially to an Indian lady. It is tenable for three years in the United Kingdom and is of the annual value of £240 *plus* approved University and College fees, at Universities other than Oxford and Cambridge. At Oxford and Cambridge it is of the value of £360 per annum when the scholar is in collegiate residence and of £325 per annum when she is in non-collegiate residence.

(2) Candidates for this scholarship must hold a degree of an Indian University or possess adequate qualifications of a professional nature.

14. Indian teachers' scholarships.—(1) Two scholarships are awarded annually to Indian teachers of secondary schools for the purpose of professional training. They are tenable for two years in the United Kingdom and are each of the annual value of £240 *plus* approved University and College fees, at Universities other than Oxford and Cambridge. At Oxford and Cambridge they are each of the value of £360 per annum when the scholars are in collegiate residence and of £325 when they are in non-collegiate residence.

NOTE 1.—Each scholarship under this rule is awarded for one year in the first instance. It will be extended for the second year by the High Commissioner for India if the scholar obtains at the end of the first year course a diploma in education at a British University. The second year of its term will be spent under the direction of the High Commissioner for India on the study of the educational technique of one or more special subjects, including observation works in school organisation and administration. Occasionally a scholar may be allowed by the High Commissioner for India to spend one or both years in study for a diploma or degree at a British University in a cultural subject and not necessarily in pedagogy. Each scholar, provided he is physically fit in the opinion of the High Commissioner, will be expected to take special training in scouting during his stay in the United Kingdom but no extra grant for this purpose will be sanctioned by Government.

NOTE 2.—Government servants selected for these scholarships will be entitled to the usual travelling allowances for their journeys both ways between the places of their employment and Calcutta.

(2) Only graduates of distinction of an Indian or overseas University, who possesses considerable professional experience, will be considered eligible for these scholarships and, other things being equal, preference will be given to those whose age does not exceed 35 years.

(3) Local officers controlling secondary schools shall submit nominations for the award of these scholarships to the Director not later than the 15th December every year, and the nominations of the Director should reach Government not later than the 15th January of the following year. Such nominations should be confined to men of personality likely to make good headmasters in future. A good presence and polished manners are desirable, if not essential. A high degree of scholarship, *e.g.*, M.A. or M.Sc., should not be insisted upon, but a pass B.A. or B.Sc. should not be nominated, except in very exceptional circumstances, *i.e.*, when the degree does not represent the real mental capacity of the candidate. A good reputation as a teacher and professional keenness is a *sine qua non*.

(4) Government servants, if awarded these scholarships, will be treated as on duty for the entire period of their absence from their appointments in India, and will draw the full pay of their appointments for the period not covered by their scholarships.

NOTE.—The selection of a teacher for this scholarship carries with it no guarantee of appointment or promotion to a headmastership or assistant headmastership, whether the scholar is or is not in Government service.

15. Language scholarships.—(1) One scholarship is triennially awarded to Indians for the critical and scientific study of the Sanskrit or Arabic language and literature by Western methods. It is tenable for three years in the United Kingdom and is of the value of £240 per annum, *plus* approved University and College fees, at Universities other than Oxford and Cambridge. At Oxford and Cambridge it is of the value of £360 per annum when the scholar is in collegiate residence and of £325 per annum when he is in non-collegiate residence.

(2) Candidates for this scholarship must be qualified students with distinctive capacity for Oriental language study, and they must have passed such examinations in India as qualify them for admission to a University in Europe as advanced or research students.

(3) A working knowledge of French and German should, if possible, be acquired by the scholar before leaving India.

(4) In the selection of scholars for the study of Sanskrit regard will be paid to the following considerations: As the vast range of Sanskrit literature makes it necessary for a scholar to select some special field of Sanskrit learning in which to specialise, the choice of the special branch of study must be made in India, and the requisite preparatory studies completed before the scholar leaves for Europe. Thus, if a Sanskrit scholar wishes to specialise in—

(*a*) Veda and Philology, he should have some knowledge of Latin or Greek.

(*b*) Philosophy, he should have studied one of the systems of Indian Philosophy in the original texts, and have read Plato and Aristotle.

(*c*) Post-Vedic literature, his reading should have extended considerably beyond the limits of the courses prescribed for the M.A. examination of an Indian University.

(5) Holders of this scholarship at Oxford or Cambridge will be expected to become non-collegiate students, and permission to join a college will not be granted unless admission to the University is not otherwise possible, or unless the scholar is of undergraduate age and has rooms offered to him in college.

PART II.

Rules for scholars under the supervision of the High Commissioner.

1. Every scholar will be required to forward to the Secretary to the High Commissioner for India (Education Department), India House, Aldwych, London, W. C. 2, ordinarily at least one month before the date of departure from India, the sum of £40 for initial expenses on arrival in the United Kingdom. A scholar will have no claim to the payment of any instalment of his scholarship unless this deposit has been made. The deposit is held at the disposal of the scholar and may be reclaimed as soon as he reaches England to meet expenses of the purchase of clothes or other necessary equipment, but a scholar is advised to leave at least £10 on deposit to be available for emergencies or other expenses not covered by the conditions of the scholarship.

2. A scholar will be provided with a passage from India to the place of study in the United Kingdom, and, as a general rule, is required to travel by the all-sea route from India to England unless he himself elects to pay the cost of the overland journey from Marseilles to London, in which case he may apply for payment of the overland allowance as fixed from time to time by the High Commissioner. The full cost of the overland journey (rail and baggage expenses) shall in no case be refunded to a scholar unless he has been provided by the Government concerned with a steamer ticket to Marseilles and has been expressly instructed to travel overland.

3. Every scholar on reaching England must report himself to the Office of the High Commissioner for India (Education Department), India House, Aldwych, London, W. C. 2, and sign the undertaking referred to in Rule 6. He will be required to furnish his private address and to notify immediately any changes thereafter.

4. Accommodation for new arrivals (men only) is provided at 21, Cromwell Road, South Kensington, London, S. W. 7. A scholar who wishes accommodation to be reserved should write to the Warden, 21, Cromwell Road, S. W. 7, or should cable in good time the exact date of his arrival from Marseilles. Every scholar will be required, whenever possible, to reside in the hostel of the University or College where he is pursuing his course, though in special cases the High Commissioner will be prepared to consider applications for permission to live in private lodgings.

5. Every scholar pursuing courses of study or training in the United Kingdom, in Europe or in the United States of America is under the direct charge of the Secretary to the High Commissioner for India (Education Department), with the exception of those at Edinburgh, Cambridge, Glasgow, Manchester and Oxford, who must follow the instructions given through the following officers, hereinafter referred to as Local Advisers:—

Edinburgh—The University Adviser to Indian Students, Department of Chemistry, The University, King's Buildings, Edinburgh.

Cambridge—The Secretary, Inter-Collegiate Indian Students' Committee, 22, Fitzwilliam Street, Cambridge.

Glasgow—The Local Adviser to Indian Students, The University, Glasgow.

Manchester—The Local Adviser to Indian Students, College of Technology, Manchester.

Oxford—The Secretary, Delegacy for Oriental Students, Indian Institute, Oxford.

All communications regarding courses of studies or training, payment of fees or other matter connected with the scholarship must be addressed, either to the Secretary to the High Commissioner for India (Education Department) or in the case of scholars at Edinburgh, Cambridge, Glasgow, Manchester, or Oxford to the Local Adviser concerned. Scholars are not permitted to communicate direct with their Provincial Government in India in any matter affecting their scholarship.

6. Every scholar will be expected to consult the Secretary to the High Commissioner (Education Department) or his Local Adviser regularly in regard to his course of study or training. He must submit, either direct or through his Local Adviser, within one month after the beginning of his University, College or other training, a statement for the approval of the High Commissioner showing the exact course which he is pursuing. The High Commissioner will prescribe the course of study or training considered necessary to fulfill the purpose for which the scholarship has been awarded, and every scholar must obey all instructions regarding his course of study or training which he may receive either direct from the Secretary to the High Commissioner (Education Department) or from his Local Adviser. The course of study which has received

the sanction of the High Commissioner may not be changed without his approval, and no additional course or subject of study or training may be undertaken without his prior sanction. A scholar will not be permitted, without the previous sanction of the High Commissioner, to enter for any examination not forming a normal portion of his sanctioned course. He will be required to give a written undertaking that he will at once and without discussion of possible alternatives devote himself exclusively to the course of study and training prescribed for him and that he will not delay or neglect his prescribed course in anticipation of orders regarding possible alternatives.

7. A scholar sent to this country for training in technical or industrial subjects will be required to undergo practical training under such conditions as may be prescribed by the High Commissioner. Whilst undergoing practical training, the scholar must keep, in a book supplied by the Education Department of the Office of the High Commissioner, a concise diary of his work. This diary, endorsed by the authorities under whom the scholar is working, must be submitted at the prescribed date to the Secretary to the High Commissioner (Education Department), either direct or through the Local Adviser concerned.

8. A scholar undergoing practical training in works or in such professional subjects as Veterinary Medicine, etc., will be entitled to three weeks' leave each year and must obtain the approval of the authorities under whom he is working and of the High Commissioner to the exact dates on which he proposes to take such leave. He must also submit at least two months in advance a full statement of his proposals for practical training during the vacations. A scholar attending university or college courses who proposes to sepnd his vacations on the Continent must submit his plans for the approval of the High Commissioner not less than one month before the beginning of the vacation.

9. In the absence of any special instructions from the Government concerned, scholarship allowance will be payable from the date on which the scholar reports his arrival at the Office of the High Commissioner until the expiration of the full period for which it has been granted or extended or to such earlier date that the High Commissioner may determine having regard to the date at which the sanctioned course of study or training has been completed. Scholarship allowance will not be paid beyond the date of the sailing from London of the steamer on which the passage has been booked, except as provided in rule 21.

10. Subject to a due compliance with the rules, each scholar will be paid his annual stipend quarterly in advance.* A first instalment to cover a full quarter will be paid as soon as possible after the scholar has arrived and has signed the necessary declaration on the prescribed form. Three months after the date of arrival the amount to the ensuing official quarter day† will be paid to the scholar either direct or through the Local Adviser. Subsequent payments will be made in

*See schedule at end of rules.
†The official quarter days are 1st January, 1st April, 1st July and 1st October.

advance, on or after each official quarter day. It should, however, be understood that the High Commissioner (or the Local Adviser on his instructions) has full discretion to disburse the annual allowance of any scholar in such instalments as he may consider desirable.

11. Each scholar must submit, not less than 14 days before the date on which his scholarship instalment falls due, an application on a prescribed form endorsed with a certificate of satisfactory conduct and progress from the University, College or Works authority.

He will also be required to furnish annually on a prescribed form, copies of which will be supplied, a full statement of the course of study or training which he has pursued during each year ending 30th September. The instalment of scholarship allowance due on 1st October of each year will not as a general rule be issued until this annual report has been received. It should, however, be noted that the High Commissioner at his discretion may require a report on a scholar's work or conduct at any time.

12. The allowance of a scholar in receipt of wages whilst undergoing practical training will be reduced by a corresponding amount.

13. Advances on the quarterly instalments of scholarship allowance will not as a general rule be granted, except in respect of (*a*) caution money payable to Universities or Colleges, and (*b*) purchase of expensive instruments essential for the scholar's sanctioned course of study or training. Any advances thus sanctioned will be recoverable from the quarterly instalments of scholarship spread over a total period not exceeding one year.

14. The special attention of every scholar is drawn to the fact that no claim for payment of any expenditure whatsoever can be admitted unless the scholar has obtained previous sanction from the High Commissioner.

15. Scholars at Oxford and Cambridge will be required to meet from their scholarship allowance all their expenses, including university or college fees, except journeys to and from his place of study on arrival from India and on departure to India. A Language scholar at Oxford or Cambridge (i.e., a scholar pursuing research in Arabic, Persian, or Sanskrit) may, however, be granted travelling expenses from place of study, when going abroad, where such visits are certified as *essential* to his studies by the professor concerned and are sanctioned by the High Commissioner.

16. For scholars (other than those at Oxford or Cambridge), charges for university and college fees, including membership of the Student Union or equivalent society, premium for practical training facilities

and the necessary travelling expenses of scholars by second class, or by third class if no second be available, shall, if sanctioned in advance, be defrayed by the High Commissioner. A scholar undergoing professional or technical training may be required at the discretion of the High Commissioner to join the appropriate society or institution, in which case his entrance fees and annual subscriptions will be defrayed by the High Commissioner. A sanctioned premium and university or college terminal or sessional fees will be paid direct to the university, college, or firm concerned by the High Commissioner. Examination fees and subscriptions, etc., to other institutions, where such have been sanctioned by the High Commissioner, will be paid by the scholar himself in the first place and refunded to him on production of the necessary voucher.

17. A scholar who proposes to undertake journeys or tours for the purpose of his course of study or training must submit an application either direct or through his Local Adviser at least 14 days before the date of the proposed visit. The application must be supported by a certificate or recommendation from the professor or head of department under whom the scholar is working that the journey is necessary for the purpose of his work. [*If the proposed visit or tour and estimate of expenses is approved by the High Commissioner, third-class travelling expenses (second-class on the Continent) will be paid to the scholar on receipt of the claim on the appropriate form, supported by the necessary vouchers, together with halting allowance at the rate authorised, unless otherwise laid down when the journey is sanctioned.]

18. Charges for private tuition, unless specially sanctioned in advance, books, instruments, and medical attendance must be paid by the scholar himself.

19. Unless the conditions under which the scholarship was awarded preclude any extension, a scholar who wishes to apply for the extension of his scholarship must submit an application to the Secretary to the High Commissioner (Education Department), either direct or through the Local Adviser, not less than six months prior to the expiration of the term of tenure. This application should state definitely the purpose for which the extension is desired and should be supported by the recommendations of the university or other authority under whom the scholar is pursuing his course of study or training.

20. A scholarship may be terminated at any time within the discretion of the High Commissioner—

(*a*) if the scholar's work and progress be considered unsatisfactory,

(*b*) if his conduct prove unsatisfactory, or

(*c*) if he fail in health,

in which cases, unless the High Commissioner sees reason to the contrary, the scholar will retain his right to a passage to India, provided he returns when instructed by the High Commissioner. Any scholar failing to return to India when instructed to do so by the High Commissioner will forfeit his right to a free passage.

*The sentence does not apply to scholars at Oxford and Cambridge.

A scholar who resigns his scholarship before the expiration of its tenure for reasons which, in the opinion of the High Commissioner, are not satisfactory, will be held to resign his claim to a return passage to India.

21. A scholar will be entitled to a return passage from the place of study to India. The arrangements for the voyage will be made by the office of the High Commissioner and a scholar is not entitled to make his own passage arrangements or to claim an allowance in lieu of a provided passage. At least three months before the termination of his course of study or training the scholar must submit to the Secretary to the High Commissioner (Education Department), either direct or through the Local Adviser, an application for a return passage. The scholar will normally be required to embark from a port in the United Kingdom, but he may be allowed at the discretion of the High Commissioner to join the steamer at Marseilles and will then be paid the overland allowance as fixed from time to time by the High Commissioner. If a scholar is definitely instructed by the High Commissioner to join the steamer at Marseilles, he will be allowed second-class travelling expenses from London to Marseilles and his scholarship allowance will be payable to the date of embarkation from Marseilles (unless it has already expired or been terminated). Travelling expenses in India will not be payable by the High Commissioner.

22. A scholar who desires to defer his return to India after the expiry or termination of his scholarship will, unless the Government concerned desire his return, be allowed to do so provided that the High Commissioner approves the purpose of the deferment and is satisfied that the scholar is in a position to maintain himself during the whole period of the proposed deferment.

23. Each scholar will be given a grant of £5 to meet incidental expenses during the voyage to India. This allowance will not be payable to officers in Government employ who are temporarily holding a scholarship, but whose official pay commences on the termination of the scholarship, nor will it be applicable to the case of a scholar returning to India on appointment to a Government post which entitles him to an advance of pay.

24. A scholar who intends to marry during the tenure of his scholarship must so inform the High Commissioner, who, in consultation with the Local Government concerned, may terminate or suspend the scholarship if he thinks fit in the special circumstances of the case.

NOTE.—In all the above Rules the masculine (he, him) must be understood to include the feminine (she, her).

RESOLUTIONS.

New Delhi, the 18th February 1932.

No. F.-38-I (a)-Ex. I/32.—His Majesty's Secretary of State for India in Council has been pleased to make the rules appended to this Resolution, defining the classes of expenditure from central revenues upon subjects*

* *Note.*—Since the enactment of the Government of India Act, 1919, and of the Devolution Rules it is not permissible to incur expenditure from central revenues on provincial subjects or to make assignments from central to provincial revenues for expenditure on a provincial subject except in so far as such expenditure represents payment for services rendered by the Local Government.

other than provincial subjects which the Governor-General in Council may not sanction without the previous consent of the Secretary of State in Council. These rules supersede all previous rules of a similar nature and, subject to their observance, orders regarding specific cases of expenditure, passed by the Secretary of State in Council under regulations previously in force will no longer be binding.

2. If the sanction of the Secretary of State in Council is required by these rules to any expenditure, such sanction should ordinarily be obtained before the Legislative Assembly is asked to vote supply to meet the expenditure. The Governor-General in Council may depart from this rule in cases of extreme urgency, where the time available is so short that sanction cannot be obtained by telegraph; but in such a case, a statement showing all schemes for which supply has been asked before sanction has been obtained must be submitted to the Secretary of State as soon as possible after the presentation of the demands to the Assembly.

3. The Governor-General in Council may sanction an excess over an estimate which has, prior to the introduction of these rules, received the sanction of the Secretary of State in Council if the total cost of the estimate, as increased by the excess, is within the powers of sanction conferred upon the Governor-General in Council by these rules; and may sanction the extension of a temporary post which has received similar sanction if he would, under these rules, be competent to sanction the creation of such a post for the full term as extended.

4. Subject to the provisions of Section 67-A of the Government of India Act and to the observance of—

(i) these rules,

(ii) any rules made by the Secretary of State in Council under the Government of India Act,

(iii) the rules relating to the financial powers of the Governor-General in Council in railway matters,

(iv) Army Regulations governing the grant of allowances, pensions and gratuities,

(v) any instructions issued by the Secretary of State in Council delimiting the power of the Governor-General in Council to sanction expenditure in respect of persons in civil employment who are not subject to or have been excluded from the operation of the Civil Services (Classification, Control and Appeal) Rules,

the Governor-General in Council has full power to sanction expenditure from central revenues upon subjects other than provincial subjects and, with the previous consent of the Finance Department, to delegate such power upon such conditions as he may think fit either to any officer subordinate to him or to a local Government acting as his agent in relation to a central subject. Any sanction given under this rule will remain valid for the specified period for which it is given, subject in the case of voted expenditure to the voting of supply in each year. Orders or delegation passed under this rule may contain a provision for re-delegation by the authority to which the powers are delegated.

Rules relating to expenditure by the Government of India on subjects other than provincial.

1. The previous sanction of the Secretary of State in Council is necessary:—

(1) To the creation of any new, or the abolition of any existing, permanent post paid from Military estimates, if the post is one which would ordinarily be held by an officer holding the King's Commission.

(2) To the creation of a permanent post paid from Military estimates on a maximum rate of pay exceeding Rs. 2,000 a month or the increase of the maximum pay of a sanctioned permanent post to an amount exceeding Rs. 2,000.

(3) To the creation of a temporary post paid from Military estimates on pay exceeding Rs. 4,000 a month, or the extension beyond a period of three years of a temporary post or deputation on pay exceeding Rs. 2,000 a month.

NOTE.—The limits in the case of posts paid from Civil estimates, corresponding to those prescribed in sub-rules (2) and (3), are laid down in Rule 10 of the Civil Services (Classification, Control and Appeal) Rules made by the Secretary of State in Council under the Government of India Act.

(4) To any expenditure on a measure other than a Military Works Project costing more than Rs. 5,00,000 (initial *plus* one year's recurring) and involving outlay chargeable to the Army or Marine estimates.

(5) (*a*) To any expenditure on the inception of a Military Works Project which is estimated to cost, or forms part of a scheme which is estimated to cost, more than Rs. 10,00,000.

(*b*) To any expenditure on a Military Works Project in excess of the original sanctioned estimate, if:—

(i) the excess is more than 10 per cent. of the original sanctioned estimate, and the estimated cost of the project thereby becomes more than Rs. 10,00,000;

(ii) the original estimate has been sanctioned by the Secretary of State, and the excess is more than 10 per cent. of that estimate, or more than Rs. 10,00,000.

(*c*) To any expenditure on a Military Works Project, in excess of a revised or completion estimate sanctioned by the Secretary of State.

Provided that, for the purposes of clauses (*b*) (*ii*) and (*c*) of the rule, if any section accounting for 5 per cent. or more of the estimated cost of a project sanctioned by the Secretary of State is abandoned the estimated cost of the works in that section shall be excluded from the total sanctioned estimate of a project for the purpose of determining whether the Secretary of State's sanction is necessary.

(6) To any expenditure on the purchase of imported military stores, otherwise than in accordance with such rules as may be made in this behalf by the Secretary of State in Council.

(7) To any expenditure, otherwise than in accordance with such rules, as have been or may be laid down in this behalf by the Secretary of State in Council, upon—

(*a*) the erection, alteration, furnishing or equipment of a church or a grant-in-aid towards the erection, alteration, furnishing or equipment of a church not wholly constructed out of public funds; or

(*b*) the provision of additions to the list of special saloon and inspection railway carriages reserved for the use of high officials; or

(*c*) the staff, household and contract allowances, or the residences and furniture provided for the use of the Governor-General; or

(8) To any expenditure on Diplomatic and Consular Services in Persia except in the following cases:—

(i) Fresh expenditure on salaries up to an amount not exceeding £100 per annum in the aggregate at any one Consulate.

(ii) Increased expenditure on contingencies, except as regards an unusual item exceeding £100, and

(iii) Increased expenditure on travelling.

(9) To any addition to the office allowances and other contract grants of any Agency or Consulate in Persia, except temporary overdrafts not exceeding Rs. 250 at any Agency or Consulate, such overdrafts being adjusted by debit against the contract grants sanctioned for the ensuing financial year.

(10) To any expenditure which is likely to involve at a later date expenditure beyond the power of sanction of the Governor-General in Council.

2. The foregoing rules do not apply to expenditure in time of war with a view to its prosecution. The Government of India have full powers with regard to such expenditure, subject only to the general control of war operations which is exercised by the Secretary of State for India in consultation with His Majesty's Government; to the necessity of obtaining the sanction of the Secretary of State in Council to really important special measures required to carry out those operations, where in the judgment of the Government of India time permits a previous reference to him; and to the obligation to keep him as fully informed as circumstances allow of their important actions.

Minister-in-charge : The Hon'ble Mr. Bijoy Prasad Singh Roy.

No. 1102Ex.—1st March 1932.—The following extracts from the report of the Commissioner of Excise and Salt, on the administration of the Excise Department in Bengal, during the year 1930-31, are published for general information.

L. R. FAWCUS,
Secy. to the Govt. of Bengal.

No. 4984E., dated Calcutta, the 11th September 1931.

From—RAI BAHADUR S. K. RAHA, Commissioner of Excise and Salt Bengal,
To—The Secretary to the Government of Bengal, Department of Agriculture and Industries.

I have the honour to submit the following report on the Administration of the Excise Department in the Presidency of Bengal for the year 1930-31 :—

CHAPTER I.—ADMINISTRATIVE CHANGES AND GENERAL REVIEW.

1. **Laws in force in the Presidency.**—The Dangerous Drugs Act, 1930 (Act No. II of 1930 of the Indian Legislature), came into force in the Presidency during the year under report with effect from 1st February 1931. This Act amended the Opium Act, 1878 (Act I of 1878), and the Bengal Excise Act, 1909 (Bengal Act V of 1909), already in force in the Presidency, to the extent and in the manner mentioned in the fourth column of Schedule II thereof.

2. **Administrative changes and reforms.**—(1) The following orders were passed by the Government of Bengal regarding administrative arrangements for carrying out the provisions of the Dangerous Drugs Act, 1930 :—

(*i*) Under section 22 of the Act, the following officers of the Bengal Excise Department have been authorised to issue warrant for the arrest of any person, reasonably believed to have committed an offence punishable under Chapter III of the said Act, or for the search of any building, vessel or place in which any contraband dangerous drug is kept or concealed, namely :—

(*a*) Deputy Commissioners of Excise, Bengal, and the Collector of Excise, Calcutta.

(*b*) Superintendents of Excise, and Inspectors of Excise in charge of districts. (Vide Government of Bengal, Commerce Department, Notification No. 761Com., dated the 7th February 1931.)

(*ii*) Under section 23 of the Act, all officers of the Excise, Police, Customs, Salt, Opium and Revenue Departments in this Presidency, superior in rank to a peon or constable, have been authorised to exercise the powers described in the said section (Powers of entry, search, seizure and arrest without warrant). (Vide Government of Bengal, Commerce Department, Notification No. 762Com., dated the 7th February 1931.)

(*iii*) Under section 30 of the Act, all officers of the Excise Department in Bengal not below the rank of Sub-Inspector have been vested with the powers of an officer in charge of a police-station for the investigation of offences under the said Act. (Vide Government of Bengal, Commerce Department, Notification No. 763Com., dated the 7th February 1931.)

(*iv*) Under sub-section (*2*) of section 34 of the Act, each of the following officers of the Excise Department in Bengal has been authorised to exercise the powers described in the said sub-section (regarding confiscation of articles seized), namely:—

(*a*) Deputy Commissioners of Excise, Bengal, and the Collector of Excise, Calcutta.

(*b*) Superintendents of Excise, and Inspectors of Excise in charge of districts. (Vide Government of Bengal, Commerce Department, Notification No. 764Com., dated the 7th February 1931.)

(2) To remove difficulty experienced in the trade of locally manufactured foreign liquors owing to absence of any regulations regarding the minimum fluid contents of bottles of foreign liquor imported from abroad, it was decided to prohibit the sale of brandy, whisky, gin and rum, whether locally manufactured or imported, in quart bottles containing less than 22 ounces of such spirit and pint bottles containing less than 11 ounces. It was also directed that bottles containing less than certain specified quantities shall bear distinctive labels specifying the contents. The above rules came into force from 1st April 1931. (Vide Notification No. 645T.—A.I., dated the 18th September 1930.)

(3) The rate of duty on Indian made brandy, whisky, gin and rum and rectified spirit used in compounding and blending of Indian made foreign liquors and on spirits used in the manufacture of toilet preparations was reduced from Rs. 21-14 to Rs. 17-8 per Imperial London proof gallon with effect from the 1st November 1930. This was again enhanced to Rs. 21-14 per L.P. gallon with effect from the 1st May 1931, except on perfumed spirits and toilet preparations the duty thereon being kept at Rs. 17-8 per L.P. gallon.

(4) The rates of licence fees for sales of foreign liquor to the public in Bengal were increased with effect from the 1st October 1930 as follows:—

(*i*) Annas three per bottle or rupee one and annas two per bulk gallon of whisky, brandy, gin, rum, liqueurs, Champagne and other wines.

(*ii*) Anna one per bottle or annas six per bulk gallon of ale, beer, porter, cider and other fermented liquors, except beer sold to the Army. (Vide Notification No. 4188Excise, dated the 26th August 1930.)

3. **Temperance movements.**—Owing to the movement against liquor and drug shops during the year, the work of any Temperance organisations, or local missionaries was not apparent.

3A. **The movement against liquor and drugs, and picketing of shops.**—The movement against liquor and drugs and the picketing of excise shops last year, started in some of the districts from the second week of April 1930 and spread throughout the Presidency by the middle of May 1930. The only districts not seriously affected by the movement were Darjeeling, Jalpaiguri and Chittagong.

The general propaganda against the use of intoxicating liquor and drugs, as well as the picketing of shops of these articles, were carried on in an intensive manner up to the end of October, since when it gradually lost in intensity until the Delhi Agreement. Within a month after the agreement, picketing of shops had practically ceased throughout the Presidency.

The movement consisted of propaganda work both in rural and urban areas against indulgence in liquor and drugs, as well as of actual picketing of liquor and drug shops in towns, industrial centres as well as in many rural areas. I saw the movement in actual operation, as well as its apparent effects in some of the districts both in town and rural areas. It appeared to me that the propaganda against liquor and drugs, apart from picketing, had been very widely done in many of the districts and found a response amongst the majority of the people both in urban and rural areas, as the number of people used to intoxicating liquor and drugs is quite small when compared to the mass of the population in both such areas. Picketing of shops was in many cases forcible, in which both the Excise and Police staffs,

deputed to prevent forcible obstruction to consumers, met with great difficulty in their work in view of the fact that the picketers had the sympathy of the majority of the local inhabitants who were habitual abstainers from these articles.

There was appreciable diminution in consumption in every district, due partly to the movement, and partly to the economic condition of the year in the Presidency. A portion of the diminution I would term genuine, and would attribute to the propaganda work that was carried on, but the result of the actual picketing of the shops in the manner carried on, was in many cases harmful.

4. **Excise Licensing Boards.**—All the Excise Licensing Boards did useful work during the year with a due sense of responsibility and judgment.

The *Calcutta Licensing* Board held 4 meetings during the year. The action taken by the Board is enumerated below:—

(*i*) The following new licences were sanctioned:—

(*a*) Foreign Liquor Public "off" ...	4
(*b*) Hotel	2
(*c*) Restaurant	1

(*ii*) The abolition of the following licences was sanctioned:—

(*a*) Tari	1
(*b*) Foreign Liquor Public "off" ...	4
(*c*) Restaurant	1

(*iii*) Transfer of sites was sanctioned in the following cases:—

(*a*) Country Spirit	4
(*b*) Ganja	5
(*c*) Opium	4
(*d*) Bhang	2
(*e*) Foreign Liquor "off"	3
(*f*) Charas	1
(*g*) Restaurant	1
(*h*) Hotel	1

(*iv*) Applications for transfer of sites were rejected in the following cases:—

(*b*) Ganja	1
(*c*) Opium	2
(*d*) Tari	1
(*e*) Foreign Liquor "off"	3

(*vi*) Nineteen applications for new foreign liquor licences in the different parts of the city were rejected.

The *Howrah Board* held two meetings and recommended transfer of 2 tari shops, 1 country spirit, 1 foreign liquor "off," 2 ganja, 2 opium, 1 siddhi, and 1 charas licences and set aside the objections against one country spirit shop.

The *Bally Board* held two meetings and rejected a proposal for a new opium shop and the objections against 1 country spirit, 1 opium and 1 tari shop.

The *Sadar Board* of the 24-Parganas district held two meetings. On the recommendation of the Board, the sites of 3 tari shops and 1 country spirit shop were changed.

The *Barrackpore Board* held two meetings. One foreign liquor "off" shop and 1 restaurant licence were newly sanctioned and the sites of 1 country spirit and 1 tari shop were changed on the recommendation of the Board.

The *Dacca Board* held two meetings. On the recommendation of the Board 1 ganja shop was abolished and the sites of 2 country spirit and one tari shops were changed.

The *Rangpur Board* held two meetings. One country spirit shop was abolished on the recommendation of the Board.

The *Chittagong Board* held two meetings. On the recommendation of the Board, 1 country spirit, 1 foreign liquor, and 2 tari shops were abolished, the site of 1 country spirit shop was changed and 3 branch country spirit shops were newly opened.

5. **Excise Advisory Committees.**—In the areas other than those mentioned in paragraph 4 above, the local Excise Advisory Committees advised the Collectors of the districts as regards the number and location of excise and opium shops. All their recommendations were carefully considered and most of them were accepted.

In accordance with their recommendations, 5 country spirit, 6 tari, 3 pachwai, 1 opium and 1 charas shops were abolished, the sites of 1 foreign liquor, 4 country spirit, 5 tari, 9 pachwai, 2 opium, 2 ganja and 2 bhang shops were changed and 3 pachwai, 3 opium, 5 ganja and 1 bhang shops were newly opened with effect from the 1st April 1931.

6. **Total revenue and charges (Imperial Returns Nos. I and II, Appendix A).**—The excise revenue and charges of the Presidency for the last five years are shown below:—

Period.	Revenue.	Refunds.	Expenditure (after deducting contribution of Rs. 2 lakhs from the Government of India).	Net revenue.	Percentage of charges (percentage of columns 3 and 4 to column 2.)
1	2	3	4	5	6

1926-27 ..	2,25,55,658	39,281	24,84,926	2,00,31,451	11·19

1929-30 ..	2,26,47,923	35,458	22,73,627	2,03,38,838	10·19
1930-31 ..	1,80,28,339	35,157	22,24,945	1,57,68,237	13·6
Difference of past two years.	−46,19,584	−301	−48,682	−45,70,601	3·41

The decrease in revenue was entirely due to the propaganda against liquor and drugs accompanied by picketing of shops, and the acute economic depression during the year.

7. **Actual receipts.**—Deducting the advance collections (Rs. 1,48,097) for 1931-32 and adding the revenue (Rs. 1,74,660) which was collected in advance in 1929-30, the actual receipts on account of 1930-31 were Rs. 1,80,54,902 against Rs. 2,25,95,975 (after similar adjustment) for the preceding year.

8. **Excise Charges (Imperial Return No. II, Appendix A).**—The total expenditure of the Excise and Salt Department, excluding the cost price of opium payable to the Government of India, was Rs. 15,73,136 against Rs. 16,20,441 during 1929-30. The decrease in expenditure was due to postponement of new expenditure provided in the budget and curtailment of expenditure under ordinary heads.

9. **Revenue under different heads (Imperial Return No. I, Appendix A).**—There was decrease of revenue under almost all the heads. The largest decrease (Rs. 27,47,529) occurred under "Total receipts from country spirits," followed by "Total receipts from hemp drugs" (Rs. 13,92,541). "Receipts from country fermented liquors (Pachwai)" (Rs. 1,84,698), "Total receipts from Opium" (Rs. 1,79,585), "Tari tree-tax" (Rs. 1,24,536), "Other receipts from tari" (Rs. 93,794) and "Duty on spirits used in manufacture of medicines and on rectified spirits and absolute alcohol used for medicinal purposes" (Rs. 67,271). There was, however, an increase of Rs. 1,69,773 under the head "Duty on wines and spirits manufactured in India and classed as foreign liquors" followed by "Licence fees for sale of beer manufactured in India or elsewhere" (Rs. 32,035).

10. **Demand and collection (Provincial Table No. I, Appendix B).**—Of the gross demand of Rs. 1,81,86,158 a sum of Rs. 1,80,28,339 or 99·13 per cent., was realised, Rs. 41,249 was remitted as irrecoverable. The incidence of Excise revenue per head of population was 6 annas 2 pies against 7 annas 8 pies in the previous year.

CHAPTER II.—COUNTRY LIQUOR.

* * * * * * *

Country Spirit.

12. **System of supply and sale.**—There were no changes in the system of supply and sale.

13. **Retail licences.**—The number of licences for the retail sale of country spirit was 926 against 931. On the recommendations of the Local Excise Advisory Committees or the Licensing Boards, two shops in Burdwan and one in each of the districts of Bankura, Hooghly, Rangpur, Jalpaiguri and Darjeeling were abolished and two, one in each of the districts of Birbhum and Chittagong, were newly opened.

14. **Consumption.**—The total consumption of country spirit in the Presidency amounted to 3,83,037 L.P. gallons as compared with 5,75,121 L.P. gallons in the preceding year, showing a decrease of 1,92,084 L.P. gallons. Consumption decreased in all the districts, except Chittagong where an increase occurred on account of large issue to shops in the tea garden areas in the district; this increase largely meant the replacement of illicit by licit liquor.

Noticeable decrease occurred in the following districts:—

Dinajpur (8,993 L.P. gallons or 65·2 per cent.).
Mymensingh (11,504 L.P. gallons or 60·4 per cent.).
Tippera (5,094 L.P. gallons or 59·9 per cent.).
Howrah (8,661 L.P. gallons or 58·4 per cent.).
Bogra (4,595 L.P. gallons or 57·3 per cent.).
Murshidabad (4,480 L.P. gallons or 56·1 per cent.).
Pabna (3,854 L.P. gallons or 52·4 per cent.).
Rangpur (8,280 L.P. gallons or 49·5 per cent.).
Bankura (7,889 L.P. gallons or 48·3 per cent.).
Khulna (3,097 L.P. gallons or 48·2 per cent.).
Hooghly (15,430 L.P. gallons or 40·1 per cent.).
Malda (3,686 L.P. gallons or 40·04 per cent.).

In all these districts the decrease was due to the propaganda against liquor and drugs combined with the picketing of shops, and the general economic distress of the people.

A statement is given below showing figures of consumption of country spirit in the industrial areas in the districts of the 24-Parganas, Hooghly and Howrah from the year 1926-27 to 1930-31, the year of the report:—

Year.	Hooghly.	Howrah.	24-Parganas.
	L.P. gallons.	L.P. gallons.	L.P. gallons.
1926-27	11,349	7,094	28,694
1927-28	10,088	6,580	25,847
1928-29	10,020	6,604	26,385
1929-30	9,945	6,994	26,297
1930-31	6,303	4,012	21,018

15. **Total revenue from country spirit.**—The total revenue (licence and distillery fees and duty) from country spirit was Rs. 58,38,587 against Rs. 85,86,116 showing a decrease of Rs. 27,47,529. The revenue derived from duty and distillery fees decreased by Rs. 24,01,911 and that from licence fees decreased by Rs. 3,45,618.

16. **Convictions for drunkenness and action taken against licensees for permitting it.**—Appendix B, Table VI, shows the number of persons convicted of drunkenness in the municipal areas. In Calcutta 4,076 persons were convicted of drunkenness as compared with 4,683 persons in the previous year showing a decrease of 607 persons or 12·9 per cent. The Commissioner of Police as well as the Magistrate of Howrah report that the decrease is possibly due to picketing of liquor shops during the Civil Disobedience Movement. These figures form no reliable index to the increase or decrease, in drunkenness. The convictions are the outcome of the activity of the Police officers. In other areas of the Presidency no noticeable increase or decrease in convictions for this offence came to light in the year under report.

* * * * * * *

Tari.

18. **General.**—The tree-tax system of taxation on tari was in force in the districts of Calcutta, 24-Parganas, Hooghly and Howrah which contributed 85 per cent. of the entire revenue from tari in the Presidency. It would be desirable gradually to increase the direct tax on trees and bring down the tax from licence fees.

19. **Statistics.**—The total receipts under the head "Tari" decreased from Rs. 10,15,297 to Rs. 7,96,967. The number of retail licences decreased from 503 to 488. Out of the total revenue of Rs. 7,96,967 from tari, Rs. 7,68,887 was derived from the Burdwan and the Presidency Divisions and the district of Malda. Of the total revenue, Rs. 4,58,807 was derived from tree-tax and Rs. 3,38,160 from licence fees. The corresponding figures for the previous three years were as follows:—

	1927-28.	1928-29.	1929-30.
	Rs.	Rs.	Rs.
Tree-tax	5,65,404	5,50,706	5,83,343
Licence fees	4,13,146	4,24,832	4,31,954

Of the figures shown under head "Tree-tax" the amounts contributed by shop licensees and by domestic consumers respectively were as follows during the year of report and the previous three years:—

	1927-28.	1928-29.	1929-30.	1930-31.
	Rs.	Rs.	Rs.	Rs.
Tree-tax paid by—				
Shop licensees	4,74,546	4,69,687	5,00,046	3,97,062
Domestic consumers ..	90,858	81,019	83,297	61,745

The decrease in revenue, viz., Rs. 2,18,330 was due to settlement of shops at lower fees on account of general trade depression and consequent bad economic conditions.

Pachwai.

20. **Licences.**—The total number of licences issued for "retail sale," "home-brew (annual)" and manufacture of pachwai on special occasions was 54,614 as compared with 67,387 in 1929-30.

	Number of licences issued in	
	1929-30.	1930-31.
Retail sale	1,161	1,148
Home-brew (annual)	65,220	52,165
Manufacture on special occasions ..	1,006	1,301

The decrease in the number of licenses permitting "home-brew" of pachwai was due to economic distress amongst the aborigines especially in Dinajpur, Malda and Rajshahi.

21. **Revenue.**—The revenue in licence fees from "retail vend shops" decreased from Rs. 14,29,265 to Rs. 12,67,247. The decrease was marked in Burdwan (Rs. 18,925), Birbhum (Rs. 80,867), Bankura (Rs. 34,177), Hooghly (Rs. 12,410) and Murshidabad (Rs. 9,319).

The decrease in revenue in the districts mentioned above was due to decrease in the consumption of the article brought about by the intense propaganda work against liquor and drugs that was carried on last year as well as actual picketing of shops. The decrease in revenue would have been appreciably higher had not the average current price of rice, which governs the taxation continued at a lower level than in the preceding year.

The decrease in licence fees from home-brew of pachwai from Rs. 91,445 to Rs. 68,765 was due to issue of a less number of licences.

The total revenue derived from pachwai licences under the above three heads decreased from Rs. 15,20,710 to Rs. 13,36,012 in the year under report.

22. **Consumption.**—The consumption in the districts of Burdwan, Birbhum, Bankura, Midnapore, Hooghly, Nadia and Murshidabad where the Bengal fixed-fee system was in operation from previous years and accurate figures of consumption from the licensed shops were available, amounted to 164,908 maunds of rice against 230,904 maunds of rice during the previous year as detailed below:—

	Maunds of rice.	
	1929-30.	1930-31.
Burdwan	110,334	93,749
Birbhum	60,552	36,692
Bankura	27,440	12,904
Midnapore	6,680	5,770
Hooghly	12,988	7,652
Nadia	3,064	1,952
Murshidabad	9,746	6,189
Total ..	230,904	164,908

Out of 1,148 licences in the Presidency for the manufacture and vend of pachwai, 963 worked under the fixed-fee system during the year.

* * * * * * *

24. **Control over manufacture and sale of bakhar.**—The number of licences issued for the manufacture and sale of bakhar during the year was as follows:—

	Number of licences issued.	
	Manufacture and sale of bakhar.	Sale of bakhar.
Burdwan	1	6
Birbhum	5	4
Bankura	4	8
Midnapore	42	..

Murshidabad	..	2
Dacca	8	2
Rajshahi	2	4
Dinajpur	2	2
Rangpur	..	6
Bogra	..	1
Malda	2	..

Bakhar was declared to be an excisable article for all purposes throughout the Presidency except in the districts of Jalpaiguri and Darjeeling from April 1929. The main grounds for bringing the article under control were prevention of the mixture of any poisonous

herb or ingredient in the article, which used to be done with a view to increase the thirst for drinks, and better control of illicit manufacture of spirits and pachwai. Both these objects which have also a bearing on the revenue from liquors, are being gradually fulfilled and will be perfected more and more in course of time as the regulations continue to be strictly enforced.

25. **Adulteration of bakhar.**—During the year under report there was no case of adulteration of bakhar, with aconite or any other poisonous substance by the licensed bakhar manufacturers.

The Collector of Customs, Calcutta, has commented on the statistics for the port of Calcutta in 1930-31, as follows:—

"The general trade depression coupled with the political boycott and picketing of liquor shops is responsible for the general decline in imports of liquors. . . . . ."

"The United Kingdom had the bulk of the trade in ale, beer and porter as also in whisky and gin with 710,561, 165,754 and 38,115 gallons respectively. The total quantity of gin imported was 38,473 gallons. France as usual supplied the bulk of the brandy, imports of which from that country amounted to 65,091 gallons, while the bulk of the rum came from Java whence imports of rum denatured on arrival amounted to 531,176 gallons and other rum to 22,338 gallons."

The following statistics show imports and issue of potable spirits in London proof gallons at the Calcutta Custom House:—

Lyall Marshall & Co., from the Rosa Distillery on payment of duty at the rate of Rs. 17-8 per L.P. gallon in the U.P. 3·9 and 29·5 London proof gallons of Rosa Rum were issued duty-free to Ship's Stores in S.S. 31. **Manufacture of beer.**—No brewing licence was issued during the year under report.

32. **Duty on Indian made potable foreign liquors and beer.**—The total duty realised under this head was Rs. 4,54,478 against Rs. 2,84,705 in 1929-30.

33. **Licences and fees.**—The total number of licences issued for "Trade" and "Public" vend was 1,533 against 1,423 in the preceding year. Decrease occurred under "Restaurant" (1), "Railway Refreshment" (3), "Dining Car" (3), and "Canteen" (1), while an increase occurred under "Hotels" (1), "Bars in Hotels" (7), "Late Closing" (62), "Temporary Bars" (33), "Steamer" (1), "Wholesale" (4) and Public "off" (10).

The total receipts from licence fees on foreign liquor licences including beer, levied under the Bengal fixed-fee system, were as follows:—

	Rs.
1926-27	3,09,946
1927-28	3,30,113
1928-29	3,24,824
1929-30	3,42,858
1930-31	3,72,087

The increase in licence fee in spite of the decrease in consumption was due to the enhancement in the rate of licence fees introduced during the year from 1st October 1930.

Medicated Wines.

34. **Licences and revenue.**—The number of licences for the retail sale of medicated wines was 220 against 227 in the preceding year. The revenue from licences fees was Rs. 5,550 against Rs. 13,475 in the previous year, showing a decrease of Rs. 7,925 as major portion of the licence fee was collected in advance during the preceding year.

II.—Industrial Spirits (excluding denatured spirits).

* * * * * * *

35. **Revenue.**—The total revenue derived from rectified spirit and absolute alcohol used for medicinal, scientific or other industrial purposes in the Presidency was Rs. 5,01,607 against Rs. 5,67,900 in the previous year. (Imperial Table 1, columns 19, 20 and 22.)

36. **Issue of rectified spirit from distilleries and warehouses.**—The following quantities of rectified spirit were issued during the year for medicinal, industrial and scientific purposes from distilleries and excise warehouses in Bengal:—

Place of manufacture.	Duty free issues to Government Departments, Colleges, etc.	For manufacture of tinctures and other medicinal preparations.

The duty realised on tinctures issued from bonded laboratories at Rs. 5 per London proof gallon on the spirit contents was Rs. 3,38,890 realised in Bengal and Rs. 9,155 was realised in Bombay against Rs. 3,55,352-8 in the year 1929-30.

The rules prescribing strict adherence to B.P. Standards and approved receipes continued to be strictly enforced, and there were no complaints regarding the quantity of the products of the bonded laboratories.

The working of the bonded laboratories was on the whole quite satisfactory and the medicinal preparations manufactured therein continued to be in demand both in Bengal and in the other provinces.

Ganja.

44. **Retail licences.**—The total number of licences issued in the Presidency for the retail sale of ganja was 1206 against 1204 in 1929-30.

45. **Consumption.**—The total quantity of ganja consumed in the Presidency amounted to 1,155 maunds 9 seers against 1,559 maunds 7 seers showing a net decrease of 403 maunds 38 seers or 25·9 per cent.

Consumption fell in all the districts, and the fall was due, as in the case of other intoxicating articles, to the propaganda against liquor and drugs and picketing of liquor and drug shops carried on during the year, as well as to the general economic depression. Closure of mills, short-time working therein as well as reduction in the number of mill and factory workers also contributed to the decrease in industrial areas.

46. **Total revenue.**—The total receipts for the year amounted to Rs. 36,61,422 against Rs. 49,49,446 in the previous year. the net decrease amounting to Rs. 12,88,024. The revenue from licence fees and duty decreased by Rs. 6,40,003 and Rs. 6,46,662 respectively while that from gola rent also decreased by Rs. 1,359.

47. **Incidence of taxation.**—The incidence of licence fees per seer of ganja consumed was Rs. 37 and that of duty Rs. 40. The total taxation was 77 per seer as compared with 77·7 in the previous year.

* * * * * * *

50. **Cultivation and outturn of ganja at Naugaon in Rajshahi.**—The following figures indicate the position regarding the operations of ganja cultivation in Naugaon in the Rajshahi district during the last six years:—

Year.	Number of cultivators licensed.	Area licensed.	Total outturn.	Average outturn per bigha.	Total exports from Naugaon.
		Bighas.	Mds.	Mds. srs.	Mds.
1925-26 ..	3,099	1,761	4,598	2 14	4,961
1926-27 ..	2,996	1,800	5,256	2 36	4,722
1927-28 ..	3,010	1,796	6,073	3 15	4,709
1928-29 ..	3,231	1,900	5,526	2 35	4,131
1929-30 ..	3,047	1,799	4,414	2 15	4,231
1930-31 ..	2,949	1,800	3,431	1 38	2,596

The area sanctioned for cultivation during the year was 1,800 bighas. There was no case of cancellation of licence, but there were a few cases of surrender of licences during the year for want of seedlings. The area actually cultivated was 1,749 bighas 4 cottahs and 8 chitaks against 1,855 bighas 12 cottahs and 2 chitaks in the previous year.

The crop from the early seedlings grew well without any hindrance till the third week of January when some unexpected showers of rain caused serious damage to the ripe crop. The rains washed away a portion of the narcotic property of the drug and caused the growth of an abundance of leaves in between the flowering tops of the plants causing further damage to the already damaged crop. Pests like hirkati, red spiders, sidla, etc., and diseases like gorjalla and mukhjalla also made an appearance after the showers of rain in January and caused damage during the frequent cloudy days in February. The crop from the late seedlings was mostly a failure and had to be burnt in the chatars. Both the total produce and the average outturn per bigha were consequently much lower than in the preceding years.

Bhang.

55. **Licences and revenue.**—The total number of retail licences for the sale of bhang was 331 against 325 in the previous year. The total number of druggists' permits issued was 574 against 608 in the previous year. The total revenue from licence fees and duty amounted to Rs. 1,71,999 as compared with Rs. 1,96,193 in 1929-30 showing a decrease of Rs. 24,194.

56. **Consumption.**—The principal demand for bhang was, as in the previous years, confined to most of the West Bengal districts. In most of the districts in East Bengal the demand for bhang as an intoxicant is very small. The total quantity of bhang consumed in the Presidency amounted to 334 maunds 5 seers against 397 maunds 2 seers in the previous year showing a decrease of 62 maunds 37 seers.

57. **Exports.**—Two maunds and thirty seers of duty-paid bhang were exported from Hooghly to French Chandernagore against 3 maunds in the previous year. Eighteen seers of duty-paid bhang were issued from Comilla to the adjacent state of Tripura against 23 seers in the preceding year.

58. **Abuse.**—No case of abuse of medicinal preparation manufactured from the drug was reported during the year.

Charas.

59. **Licences and revenue.**—The total number of licences issued in the Presidency for the retail sale of charas was 34 against the same number in 1929-30. There were 3 wholesale licences against the same number in the preceding year. The total receipts for the year amounted to Rs. 2,09,363 as compaerd with Rs. 2,89,686 in 1929-30.

60. **Import, export and consumption.**—The total quantity of charas imported into the presidency was 38 maunds against 53 maunds 16 seers in the previous year. The drug was as usual imported by the wholesale dealers of Calcutta and Birbhum direct from the Punjab and supplied to the retail vendors of the districts. The total issue to retail shops in the presidency was 38 maunds 2 seers as compared with 52 maunds 18 seers in the preceding year, while the consumption in Calcutta amounted to 23 maunds 24 seers against 27 maunds 39 seers in previous year.

Fourteen seers of charas were exported to French Chandernagore during the year against 12 seers exported during the previous year.

CHAPTER V.—OPIUM.

* * * * * * *

61. **Restricted supply of opium.**—The restricted system of supply of opium to licensed shops, under which the monthly supply to each shop is limited to requirements in each locality and increase of supply is not permitted except on clear evidence of an increase in demand, worked in the districts named below:—

Bankura.	Mymensingh.
Midnapore.	Faridpur.
Hooghly.	Bakarganj.
Howrah.	Chittagong.
24-Parganas.	Noakhali.
Calcutta.	Tippera.
Nadia.	Rajshahi.
Murshidabad.	Jalpaiguri.
Jessore.	Rangpur.
Khulna.	

In other districts the system was not in force, as no necessity was felt to regulate supplies. In districts in which the limits of supply were restricted, the issues and consumption were actually less than the limits fixed, except only in the district of the 24-Parganas, where the entire fixed allotment was sold.

62. **Consumption.**—The consumption of excise opium during the year under report was 885 maunds 11 seers, as compared with 993 maunds 21 seers in the preceding year, showing a decrease of 108 maunds 10 seers.

Noticeable decrease occurred in the following districts:—

Burdwan (12 maunds 11 seers or 25·4), Birbhum (3 maunds 36 seers or 23·4), Bankura (4 maunds 35 seers or 32·6), Midnapore (10 maunds 17 seers or 9·6), Howrah (4 maunds 30 seers or 12·2), Nadia (5 maunds 6 seers or 26·7), Murshidabad (2 maunds 37 seers or 21·8), Jessore (2 maunds 19 seers or 18·3) Khulna (4 maunds 23 seers or 21·7), Dacca (6 maunds 31 seers or 19·6), Mymensingh (5 maunds 8 seers or 28·4), Faridpur (2 maunds 20 seers or 17·3), Bakarganj (3 maunds 1 seer or 8·2), Noakhali (1 maund 27 seers or 20·6), Tippera (3 maunds 30 seers or 25·0), Rajshahi (1 maund 24 seers or 20·7), Dinajpur (3 maunds 29 seers or 31·1), Jalpaiguri (1 maund 17 seers or 13·8), Rangpur (5 maunds 32 seers or 37·0), Bogra (1 maund 20 seers or 34·6), Pabna (2 maunds 11 seers or 31·8), Malda (2 maunds 22 seers or 23·0) and Darjeeling (34 seers or 20·4).

The decrease in consumption was largely due to the general depression in trade, the economic distress of the consuming public, a rise in the retail sale price of the drug as well as the propaganda against liquor and drugs and the picketing of shops.

63. **Licences for retail sale.**—The total number of licences issued for the retail sale of excise opium was 864 as compared with 855 in the previous year. One shop was abolished in Rangpur and 10 new shops, viz., 2 in Faridpur and one each in Bankura, 24-Parganas, Nadia, Jessore, Khulna, Dacca, Chittagong and Tippera were opened to meet ascertained local demand.

64. **Medicinal permits and licences under the Opium and Morphia Rules.**—The total number of permits and licences issued was 1,756 as compared with 1,663 in the previous year. The number included 901 licences or permits issued for intoxicating drugs including opium 855 licences or permits issued for morphia drugs. Details are given below :—

Intoxicating drugs including opium.		Morphia Drugs.	
Manufacturing chemists	33	Dealers	37
Dispensing chemists	670	Dispensing Chemists ..	658
Kavirajes and Hakims	109	Persons approved under rules 21 (1) and 21 (2) ..	30
Permit-holders	89	Persons authorised under rule 22	130
Total ..	901	Total ..	855

The increase in the number of licences was due to increase in ordinary chemists' and druggists' business.

65. **Revenue.**—The total receipts amounted to Rs. 46,42,061 as compared with Rs. 48,21,646 in the year 1929-30.

66. **Abuse of opium and morphia.**—The use of morphia as a substitute for opium does not appear to have been prevalent in any district in the Presidency of Bengal. The administration of opium pills to children has not been reported from any district this year.

* * * * * * *

CHAPTER VI.—COCAINE.

70. **Licences and revenue.**—Four hundred and seventy licences were issued during the year to chemists and druggists for the sale of cocaine on prescriptions of qualified medical practitioners as compared with 482 in 1929-30. One hundred and eleven permits for the possession of cocaine were issued free to managers of hospitals or dispensaries not under Government supervision. Seventy-six permits were issued to qualified medical practitioners and dentists.

71. **Preventive operations and illicit transactions in cocaine.**—Dealt with in paragraph 73 and Section VII of the report.

* * * * * * *

CHAPTER VII.—OFFENCES AGAINST THE EXCISE AND OPIUM LAWS.

* * * * * * *

73. **Prosecutions and convictions.**—The number of prosecutions and convictions during the year as compared with that in 1929-30 stood as follows :—

	1929-30.	1930-31.
Number of cases—		
Prosecuted	5,757	7,101
Convicted	5,590	6,830
Number of persons—		
Prosecuted	6,315	7,971
Convicted	5,716	7,060

There was increase both in the number of prosecutions and convictions mainly due to larger detection of offences of illicit manufacture or possession of country spirit, pachwai and bahkar, which received some impetus from the propaganda against liquor and drugs and the picketing of liquor shops in tracts in West Bengal where illicit distillation of spirits and manufacture of pachwai are usually prevalent amongst certain classes of the people.

There were no new developments in the course and methods of illicit practices in intoxicating articles prevalent in the province, except persistent efforts on the part of some of the Chinese residents in the city of Calcutta and its neighbourhood to distil spirits illicitly mainly for sale, and also on the part of some of the hill people resident in the city and in the adjoining areas to do the same. Effective action was taken throughout the year by the Calcutta, 24-Parganas and Howrah detective staffs to combat the evil and a very large number of detections were made.

As I observed in paragraph 75 of my report of last year, the inadequacy of punishments awarded by some Magistrates in liquor cases nullified to some extent the effect of the action taken by the detective staffs in suppressing the evil effectively amongst the Chinese and Nepalese residents in the city of Calcutta and its neighbourhood.

Efforts of smugglers of cocaine, opium and charas continued to receive constant attention from the officers of the department as well as of the Customs and the Police.

In Calcutta the illicit traffic inside the city as well as at the railway terminii continued to be looked after by the Excise detective staff in co-operation with the Police officials, while the illicit traffic on board the vessels and on the jetties was looked after mainly by the Customs detective staff.

The department is thankful for the co-operation that it uniformly receives from the Customs and Police officials engaged on detection work, both in Calcutta and in the mufassal.

The total seizures of opium during the last three years in the Presidency were as follows:—

Year.	Mds.	Srs.
1928-29	44	4
1929-30	36	17
1930-31	20	26

Of the total quantity of opium seized during the year 14 maunds 20 seers were seized by the Excise detective staff in Calcutta, 2 maunds 12 seers by the Railway Excise staff and 2 maunds 2 seers by the Excise staff in districts while the Customs detective staff in Calcutta and Chittagong and the Police in Calcutta and Howrah made seizures of 8 maunds 7 seers and 2 maunds 25 seers, respectively.

The total seizures of cocaine during the last three years are noted below:—

Year.	Ozs.	Grs.
1928-29	2,349	202
1929-30	6,314	339
1930-31	2,077	75

Of the total quantity seized during the year, 1,829 ounces were seized by the Customs detective staff on board the vessels and in jetties in the port of Calcutta, 208 ounces by the Calcutta Excise detective staff, 31 ounces by the Excise staff in districts, 1 ounce by the Railway Excise staff and 8 ounces by the Police in Calcutta, Howrah and 24-Parganas.

82. **Commissioner of Excise and Salt.**—I held charge of the department during the year under report except for the period from the 23rd September 1930 to the 31st March 1931, when I was on leave due to illness, and Rai Sahib Tarakeswar Bhattacharyya, Deputy Commissioner of Excise and Salt, officiated in my place.

NOTIFICATIONS.

Minister-in-charge: The Hon'ble Mr. Bijoy Prasad Singh Roy.

Dacca.—No. 508P.H.—7th March 1932.—Rai Sahib Surendra Narayan Roy, B.E., A.M.I.E. (Ind.), Assistant Engineer, Dacca City subdivision, Public Health Department, Bengal, is granted leave on average pay for fifteen days from the 4th March 1932, under rule 81 (*b*) (*ii*) of the Fundamental Rules.

No. 572P.H.—11th March 1932.—The following advance report by Major Covell on malaria in Calcutta and its vicinity is published for general information:—

1. The amount of epidemic malaria existing in Calcutta at the present time is very slight.

2. Nevertheless, transmission of malaria does occur in Calcutta, probably orginating chiefly from imported cases, leading to localised outbreaks in various parts of the city. This has probably been the case from the earliest time, though records prior to the year 1900 are unreliable. There is definite evidence that there has been a considerable amount of locally acquired malaria at various times during the past thirty years.

3. *Anopheles stephensi*, which is the only malaria-carrying mosquito in India capable of adapting itself to the conditions obtaining in cites, is undoubtedly the transmitting agent of the disease in Central Calcutta. This species is breeding freely throughout the city, chiefly in cisterns and other receptacles for storing water. Except on rare occasions it does not breed in tanks, which are probably of little importance as regards malaria in Calcutta. The breeding places of *A. stephensi* have been very much more numerous in recent years with the development of the water-carriage system of conservancy and the enormous increase in the number of water connections.

4. This being so, the numbers of this species in Calcutta are probably greater than they have ever been before, and they are increasing year by year. If the breeding places are allowed to continue in their present condition, it is exceedingly probable that in the future the prevalence of locally acquired malaria in Calcutta will be increased, and will form a factor of definite economic importance in the life of the city.

5. The obvious remedy is to institute a vigorous campaign directed against the breeding places of *A. stephensi*. The nature of these breeding places, which are exclusively man-made, are well-known. The measures required were laid down in detail by the writer in his report on Malaria in Bombay, 1928, a copy of which is forwarded with the present note. It is recommended that similar measures be carried out in the case of Calcutta. It is strongly urged that the efforts of the anti-mosquito organisation recently sanctioned by the Corporation of Calcutta be directed in the first place against the breeding places of *A. stephensi*. Since these breeding places are the same as those favoured by *Aedes aegypti* (*Stegomyia fasciata*), the carrier of dengue and of yellow fever, and the most vicious biter of all the mosquitoes of Calcutta, the measures recommended will be effective against these diseases as well as malaria, and will tend to reduce the general "mosquito nuisance."

6. Breeding places of *Anopheles ludlowii*, another well-known malaria carrier, have been found at various points within 12 to 20 miles of Calcutta, and the presence of this mosquito has been responsible for virulent outbreaks of malaria at Budge-Budge, Chengail and Falta within the last two years. There is strong evidence that this species has only recently been introduced into these localities. Adult specimens of *A. ludlowii* have been caught at Majerhat, Bracebridge, Kidderpore, Howrah, Sealdah, Shambazar, Krishtopur and Shamnagar, to which places they have been conveyed by trains or country boats. There is an extensive swamp at Majerhat, in close proximity to the docks, in which *A. ludlowii* might breed if the conveyance of this species by trains from Falta were allowed to continue. There is also a definite danger that *A. ludlowii* may gain a footing in the Salt Lake area to the east of the city. The Salt Lakes, which were formerly tidal and thus unsuitable as breeding grounds of *A. ludlowii*, have in recent years become non-tidal, owing to the silting up of the Bidyadhari River.

7. Hitherto the situation as regards *A. ludlowii* has been kept under control by the Bengal Health Department, with the co-operation of the Garden Reach Anti-malaria Association, and of the anti-malarial staffs of the Bengal-Nagpur and Eastern Bengal Railways. In order to cope with possible further developments it is of vital importance that the staff of the Bengal Health Department be immediately increased by the addition of two more survey units, and that it should be empowered to institute control measures at any point where these may be found necessary. It is recommended that a sum of Rs. 10,000 be set aside for control measures, in addition to the sum sanctioned in 1931, to be used should need arise. A dozen rotary blowers and six mixers for pairs green should be purchased immediately, and one ton of soft stone powder and a supply of pairs green be held in readiness.

8. Since it has been proved that country boats play an important part in the conveyance of *A. ludlowii* and the formation of new breeding foci by this species of mosquito, it is suggested that all such boats be inspected at

Pratapnagar on the Bidyadhari River and at Falta on the Hooghly, and their covers temporarily removed. This procedure would greatly minimise the danger of *A. ludlowii* being carried into the Salt Lake area from the direction of Port Canning, and up the Hooghly from the Sunderbans and Midnapore.

9. The flood-and-flush scheme for South Budge-Budge recently submitted by the Chief Engineer, Bengal Health Department, which has for its object the introduction of silt-laden water from the Hooghly into the breeding places in that area, should be put in hand immediately.

10. Control measures should be rigidly carried out at Falta, Port Canning and Hasnabad, where the breeding of *A. ludlowii* is still going on.

11. Any engineering scheme designed to restore tidal influence in the Salt Lakes should be regarded as an important anti-malaria measure.

12. It is suggested that a spleen census of municipal school children be annually taken in the same month each year, and the results recorded in the annual report of the Health Officer, Calcutta Corporation. It is also suggested that blood films be taken from 100 children in each ward of the city annually, and examined for the presence of malaria parasites.

13. It is recommended that the medical officers in charge of dispensaries and hospitals in Calcutta be asked to keep a separate record of malaria in cases considered to have acquired their infection locally, and that the Police and Military and Railway authorities be asked to furnish similar information. The data thus obtained should be recorded in the annual reports of the Health Officer, Calcutta Corporation. These data, together with the records of spleen and blood examinations of children suggested in the preceding paragraph, would form a valuable index as to the incidence of malaria in different parts of the city from year to year.

14. It is strongly recommended that the Malaria Sub-Committee appointed by the Government of Bengal should continue its work. It is suggested that the Director, Malaria Survey of India, should be a member of this Sub-Committee.

No. 540P.H.—9th March 1932.—In exercise of the power conferred by section 33 of the Bengal Vaccination Act, 1880 (Bengal Act V of 1880), the Government of Bengal (Ministry of Public Health) are pleased to make the following rules for the areas administered by district boards established under the Bengal Local Self-Government Act, 1885, other than the district board of Darjeeling and Chittagong Hill Tracts:—

Teachers and Demonstrators at the Campbell, Dacca, Burdwan, Mymensingh, Jalpaiguri and Chittagong Medical Schools, except those entrusted with the duties of the Deputy Superintendent of the Schools, or allotted hospital duties, by the Superintendent of the Schools.

Pages 130-31—S. R. 247.—At the end of the sub-paragraphs inserted by correction slip No. 176, dated the 22nd May 1931, *add* the following:—

"These orders are not intended to be applied with retrospective effect. It is not the intention that the verification of the past temporary and officiating service of the Government servants should be undertaken all at

once with reference to these orders. So far as the past service is concerned, the former procedure should continue, that is an *ad hoc* verification should be made when the pension claim arises or is about to arise, in such individual cases in which there is any doubt, and current verification should be made in accordance with these orders with effect from the date of issue."

Pages 130-31—S. R. 247.—*Insert* the following as fresh sub-paragraphs under this rule after those inserted by correction slip No. 176, dated the 22nd May 1931:—

Before the establishment pay bills are destroyed the periods of temporary and officiating service should be verified by the heads of offices from the pay bills concerned and the fact of verification recorded under proper attestation in the service books.

The heads of offices should also invariably give necessary particulars with reference to articles 370 and 371 of the Civil Service Regulations with a view to enable the Audit Office to decide later on by reference merely to such particulars whether the temporary or officiating service will qualify for pension or not; for example, in the case of officiating service, the nature of the vacancy in which the Government servant officiated and in the case of temporary service, whether the temporary post was subsequently made permanent should be stated.

When a non-gazetted officer is transferred from one office to another, the head of the office under whom he was originally employed should record in the service book under his signature the result of the verification of service, with reference to pay bills and acquittance rolls, in respect of the whole period during which the officer was employed under him, before forwarding the service book to the office where the services are transferred.

RESOLUTION No. 1189F.

Calcutta, the 9th March 1932.

Emergency cut in pay.

In continuation of this department Resolution No. 5872 F., dated the 11th December 1931, on the above subject, Government are pleased to issue the following further orders :—

(1) Where the emoluments received by a re-employed pensioner for discharging the duties of the post in which he has been re-employed are drawn partly in the form of pay and partly in the form of pension, pension shall be deemed to be part of pay or leave salary as the case may be.

(2) The amount of any contribution calculated with reference to a Government servant's pay which Government are required or permitted to pay to his credit under the rules of any contributory provident fund shall be calculated with reference to the Government servant's pay and not to his reduced pay.

(3) Where the amount of any payment or instalment of payment due by a Government servant to Government is required to be calculated on the amount of his pay, the calculation shall be made on his reduced pay and not on his pay before reduction. For example, the maximum rent payable by a Government servant for a residence owned by Government should be 10 per cent. of the reduced pay and not of the pay before reduction.

(4) In the case of any payment due by Government to a Government servant, the amount should be calculated on the pay before reduction. For example, the town allowance of 10 per cent granted on account of expensiveness of living should be calculated on the pay before reduction.

(5) The amount of Calcutta House Allowance admissible to an officer drawing a pay of Rs. 1,250 per mensem or over is the actual rent paid by him (subject to certain maxima) less occupier's share of municipal taxes less 10 per cent. of his pay. This deduction of 10 per cent. should be calculated on the reduced pay of the officer as long as the cut is in force.

By order of the Governor in Council,

E. N. BLANDY,
Secretary to the Government of Bengal.

New Delhi, the 27th February 1932.

No. 114-M. II/31.—The following Order in Council providing for the recognition of the certificates of competency granted in India to officers in the Mercantile Marine as equivalent to those issued in the United Kingdom is published for general information:—

AT THE COURT AT BUCKINGHAM PALACE.

The 17th day of December, 1931.

PRESENT:

THE KING'S MOST EXCELLENT MAJESTY.

Lord President.

Sir Frederick Ponsonby.

Sir Bolton Eyres-Monsell.

Mr. Chancellor of the Duchy of Lancaster.

WHEREAS by Section 102 of the Merchant Shipping Act 1894 (*a*) (hereinafter referred to as the principal Act) it is enacted that where the legislature of any British possession provides for the examination of, and grant of certificates of competency to, persons intending to act as masters, mates, or engineers, on board ships, and the Board of Trade report to His Majesty that they are satisfied that the examinations are so conducted as to be equally efficient with the examinations for the same purpose in the United Kingdom under that Act, and that the certificates are granted on such principles as to show the like qualifications and competency as those granted under that Act, and are liable to be forfeited for the like reasons and in the like manner, His Majesty may by Order in Council—

(i) declare that the said certificates shall be of the same force as if they had been granted under that Act; and

(ii) declare that all or any of the provisions of that Act which relate to certificates of competency granted under that Act, shall apply to the certificates referred to in the Order; and

(iii) impose such conditions and make such regulations with respect to the certificates and to the use, issue, delivery, cancellation and suspension thereof, as His Majesty may think fit, and impose fines not exceeding fifty pounds for the breach of those conditions and regulations.

AND WHEREAS by the Merchant Shipping (Certificates) Act 1914 (*b*) the law relating to examinations in the United Kingdom for certificates of competency was amended, and it was enacted that the provisions of that Act should be construed as if they were contained in the principal Act:

AND WHEREAS at the time when the principal Act came into operation there was in force an Order in Council (hereinafter referred to as the first recited Order) dated the 9th day of May, 1891, and made under an enactment repealed by the principal Act, and by the said Order it was declared that certain certificates of competency granted in certain British possessions therein named (including the possessions of Bombay and Bengal) by certain authorities therein mentioned, should be of the same force as if granted under the Acts then in force relating to Merchant Shipping:

AND WHEREAS by virtue of section 745 of the principal Act the first recited Order continues in force as if it had been made under that Act:

AND WHEREAS after the coming into force of the first recited Order the name or constitution of certain of the authorities mentioned therein was from time to time changed, and by an Order in Council (hereinafter referred to as the second recited Order) made on the 22nd day of October, 1906, it was declared that the first recited Order should be read and construed as if the authority for the time being empowered by the legislature of any British possession named therein to grant certificates of competency in that possession had been originally mentioned therein in the case of that possession in lieu of the authority actually named and described therein:

(*a*) 57 & 58 Vict. c. 60.

(*b*) 4—5 G. 5. c. 42.

AND WHEREAS by the Indian Merchant Shipping Act, 1923, as amended by the Indian Merchant Shipping (Amendment) Act, 1928 (hereinafter referred to as the Indian Merchant Shipping Acts), the power to grant certificates of competency, successively vested in the authorities in Bombay and Bengal referred to in the second recited Order, was revoked, and as on the 1st day of April, 1929, the Indian Legislature constituted by the Government of India Act provided anew with respect to British India, for the examination of, and grant of certificates of competency to, persons intending to act as masters, mates or engineers on board ships:

AND WHEREAS the Board of Trade have reported to His Majesty that they are satisfied that the examinations held under the Indian Merchant Shipping Acts are so conducted as to be equally efficient with the examinations for the same purpose in the United Kingdom under the principal Act, and that the certificates granted under those Acts are granted on such principles as to show the like qualifications and competency as those granted under the principal Act and are liable to be forfeited for the like reasons and in the like manner:

AND WHEREAS by section 738 of the principal Act, it is provided that where His Majesty has power under that Act to make an Order in Council His Majesty may from time to time by Order in Council revoke, alter or add to any Order so made:

AND WHEREAS it is expedient that the first recited Order should be altered by the revocation of so much thereof as relates to certificates of competency granted in Bombay or in Bengal:

AND WHEREAS the provisions of section 1 of the Rules Publication Act, 1893, have been complied with:

NOW THEREFORE, His Majesty, in exercise of the powers vested in Him by the principal Act, and by and with the advice of His Privy Council, is pleased to declare as follows, that is to say:—

1. Certificates of competency, as master, first mate, or second mate of a foreign-going ship, as first-class or second-class engineer, or as first-class or second-class motor engineer, granted in British India—

(*b*) on and after the 27th day of June, 1876, and before the 1st day of April, 1912, by the Lieutenant-Governor of Bengal;

(*c*) on and after the 1st day of April, 1912, and before the 1st day of April, 1929, by the Governor in Council of Bengal; and

(*d*) on and after the 1st day of April, 1929, under the Indian Merchant Shipping Acts by the proper authority

shall be of the same force as if they had been granted in the United Kingdom under the principal Act.

2. The provisions of the principal Act which relate to certificates of competency granted under that Act, except those relating to certificates for a home-trade passenger ship, and also except so much of the section 470 as requires a Court cancelling or suspending a certificate to send the certificate cancelled or suspended to the Board of Trade, shall apply to such certificates of competency as in Article 1 of this Order are referred to: Provided that in the application of section 101 of the principal Act to such certificates, references in that section to the Board of Trade, or to the Registrar-General of Shipping and Seamen, shall be construed as references to the proper authority.

3. The Regulations set out in the Schedule hereto shall have effect with respect to such certificates of competency as in Article 1 of this Order are referred to, and to the use, issue or delivery, cancellation and suspension thereof.

4. So much of the Order in Council made on the 9th day of May, 1891, as relates to certificates of competency granted by the Governor of the possession of Bombay, or by the Lieutenant-Governor of the possession of Bengal is revoked.

5. In this Order the expression "proper authority" shall mean the authority for the time being empowered by the Indian Legislature to grant certificates of competency under the Indian Merchant Shipping Acts.

6. This Order may be cited as the Merchant Shipping (Indian Certificates of Competency) Order, 1931.

M. P. A. Hankey.

SCHEDULE.

REGULATIONS WITH RESPECT TO THE USE, ISSUE, DELIVERY, CANCELLATION AND SUSPENSION OF INDIAN CERTIFICATES OF COMPETENCY.

1. In these regulations the following expressions shall have the meanings hereby assigned to them, that is to say:—

"Certificate of Imperial validity" means any certificate of competency except a certificate for a home-trade passenger ship, granted under the principal Act or any such certificates granted under provisions made by the legislature of a British possession as are declared by Order in Council to be of the same force as if they had been granted under that Act.

"Indian certificate" means any such certificate of competency granted under the Indian Merchant Shipping Acts as is declared by this Order to be of the same force as if it had been granted under the principal Act.

2. Every Indian certificate of any grade shall be as like as possible in form and size to a certificate of the same grade issued in the United Kingdom, save that on the face and cover the words "Government of India" shall appear conspicuously.

3. No Indian certificate shall be granted to a person who has been the holder of any certificate of competency which, having been granted under the principal Act or under any provision made by the legislature of a British Dominion, Colony or possession has been cancelled or suspended by any authority, court or tribunal in His Majesty's dominions except—

(i) as provided by the next following Regulation; or

(ii) in accordance with a recommendation made by the court or authority by whom the certificate was cancelled or suspended, that a certificate of lower grade should be granted; or

(iii) where the period of suspension has expired, and every certificate granted for a limited period, or pending the expiry of the period of suspension, has been delivered up to the authority by whom it was issued; or

(iv) where the authority by whom the cancelled or suspended certificate was granted, has informed the proper authority that no objection to the grant is known to exist.

4. (1) Where an Indian certificate has been cancelled or suspended in British India, then if in the opinion of the proper authority the justice of the case requires it; or, where an Indian certificate has been cancelled or suspended in some part of His Majesty's Dominions outside British India, then if the proper authority is requested so to do by the authority exercising like powers in that part of those Dominions; the proper authority may return or re-issue the certificate, or shorten the period of suspension or grant in place thereof a certificate of the same or any lower grade.

(2) Where a certificate of Imperial validity, other than an Indian certificate, has been cancelled or suspended in British India, the proper authority, if of the opinion that the justice of the case requires it, may grant in its place an Indian certificate of the same or any lower grade: provided that such Indian certificate is expressed to have force only for such limited period as the proper authority may direct, and that immediately upon the issue thereof the authority by whom the cancelled or suspended certificate was granted is notified by the proper authority of the issue of such Indian certificate.

5. When a certificate of competency is cancelled or suspended under a power conferred by the principal Act, and the person who held the certificate then also held an Indian certificate, the cancellation or suspension shall unless the authority exercising the power otherwise directs, extend as well to such Indian certificate.

6. Every authority, court or tribunal by whom an Indian certificate is cancelled or suspended shall send to the proper authority a full report upon the case together with a copy of the evidence taken therein and also the cancelled or suspended certificate; provided that where any such certificate is suspended in a part of His Majesty's Dominions outside British India for a period not exceeding nine months, the authority for the time being empowered to grant certificates of competency in that part of those Dominions, if satisfied that the circumstances render it desirable, may retain the certificate and return it to the grantee at the expiration of the period of suspension.

7. Subject to these regulations, an Indian Certificate, which has from any cause been cancelled or suspended, shall be renewed or re-issued only by the proper authority.

8. The proper authority shall from time to time cause to be furnished to the Registrar-General of Shipping and Seamen in London, accurate lists of all Indian certificates that may be granted, or that may for any cause be cancelled, suspended, renewed or re-issued, and also duplicates of the applications for examination made by the persons to whom such certificates have been granted.

9. Any Officer of the Board of Trade, or the Registrar-General of Shipping and Seamen or any of his Officers, or a Superintendent, or a duly appointed Shipping Officer in a British Dominion, Colony or possession or a British Consular Officer may demand the delivery to him of any Indian Certificate which he has reason to believe has been improperly issued, or forged, altered, cancelled, or suspended, or to which the person using it is not, in the belief of such Officer, justly entitled, and may detain such certificate for a reasonable period for the purpose of making inquiries respecting such issue, forgery, alteration, cancellation, suspension, or possession, and any person who, without reasonable cause, neglects or refuses to comply with such demand shall incur a penalty not exceeding twenty pounds sterling or its equivalent in local currency, which may be recovered wherever in His Majesty's Dominions such person may be found, if in the United Kingdom in the same manner as fines may be recovered under the principal Act, or if in some other part of His Majesty's Dominions, in such summary manner as may be provided by the law of that part of those Dominions.

10. Nothing in these Regulations shall prejudice or derogate from any power conferred upon the Board of Trade by the principal Act, or any amendment thereof for the time being in force.

Provided that nothing in sub-section (*1*) shall apply—

(*ii*) to any periodical increment of rent accruing due under any written agreement entered into before the first day of April, 1927;

The Calcutta Rent Bill, 1932.

(*Clauses 6-11.*)

Cases where rent not to be deemed increased.

6. (*1*) Where, as the result of any alteration of the terms of the tenancy, the terms, on which any premises are held, are on the whole less favourable to the tenant than the previous terms, the rent shall be deemed to be increased within the meaning of this Act, whether the sum payable as rent is increased or not.

(*2*) Where, as the result of any alteration of the terms of the tenancy, the terms, on which any premises are held, are not on the whole less favourable to the tenant than the previous terms, the rent shall not be deemed to be increased within the meaning of this Act, whether the sum payable as rent is increased or not.

Increase on account of payment of taxes.

7. Where the landlord pays municipal rates, taxes, or cesses in respect of any premises, he may apply to the Controller to increase the standard rent to the extent of the increase in the amount for the time being payable by the landlord in respect of such rates, taxes, cesses over the amount paid in the period of assessment which included the first day of April, 1927.

Previous notice.

8. (*1*) Wherever an increase of the rent of any premises is allowable under the provisions of this Act, no such increase shall be recoverable until the expiry of one month after the landlord has served on the tenant a notice in writing of his intention to increase the rent, accompanied by a certificate from the Controller fixing the standard rent.

(*2*) Where such a notice has been served on any tenant, the increase may be continued without service of any fresh notice on any subsequent tenant.

Fine, or premium not to be charged for grant, renewal or continuance of tenancy.

9. (*1*) It shall not be lawful for any person in consideration of the grant, renewal, or continuance of a tenancy of any premises, to require the payment of any fine, premium, or any other like sum in addition to the rent.

(*2*) Where any such payment has been made after the date of the commencement of this Act, the amount shall be recoverable by the tenant by whom it was made from the landlord, and may, without prejudice to any other method of recovery, be deducted from any rent payable by him to the landlord :

Provided that nothing in this section shall affect any such payments made in accordance with an agreement entered into before the fifteenth day of March, 1927.

Exception in case of long lease for purposes of development.

10. Notwithstanding anything contained in section 9, a landlord may receive a premium or other like sum in addition to the rent in respect of any premises which are let out on a lease for a period of not less than twenty years for the purposes of development either by building or rebuilding, if the Controller is satisfied that such premises are *bona fide* required for such purposes :

Provided that the rent payable for the premises during the continuance of this Act shall not exceed the standard rent.

No order for ejectment to be made if rent paid at allowable rate.

11. (*1*) Notwithstanding anything contained in the Transfer of Property Act, 1882, the Presidency Small Cause Courts Act, 1882, or the Indian Contract Act, 1872, no order or decree for the recovery of possession of any premises shall be made so long as the tenant pays rent in conformity with the provision of this Act, and performs the conditions of the tenancy :

Provided that nothing in this sub-section shall apply where the tenant has done by any act contrary to the provisions of clause (*m*), clause (*o*), or clause (*p*) of section

The Calcutta Rent Bill, 1932.

(*Clauses 12, 13.*)

108 of the Transfer of Property Act, 1882, or has been guilty of conduct which is a nuisance or an annoyance to adjoining or neighbouring occupiers, or where the premises are *bona fide* and reasonably required by the landlord either for purposes of building or rebuilding, or for his own occupation, or for the occupation of any person for whose benefit the premises are held, or where the landlord can show any cause which may be deemed satisfactory by the Court :

Provided that, where the landlord seeks recovery of possession on the ground of building or rebuilding, he must obtain a certificate from the Controller to that effect which must be filed with the plaint of the suit for ejectment and without such a certificate from the Controller no such ejectment suit will be entertained.

(*2*) Where the landlord recovers possession on the ground that the premises are required for his own occupation or for the occupation of any person for whose benefit the premises are held, the tenant shall have a right of re-entry if the premises are let to another tenant within a year from the date of recovery of possession. The tenant shall also have a right of re-entry, if the premises required for building or rebuilding are not so built or rebuilt within one year from the date of recovery of possession.

(*3*) The fact that the period of the lease has expired, or that the interest of the landlord in the premises has been transferred, shall not of itself be deemed to be a satisfactory cause within the meaning of the proviso to sub-section (*1*), provided that the tenant is ready and willing to pay rent in conformity with the provisions of this Act.

(*4*) Where a landlord refuses to accept the rent referred to in sub-section (*1*) offered by a tenant, the tenant shall deposit it with the Controller within a fortnight of its becoming due.

(*5*) No tenant shall be entitled to the benefit of this Act in respect of any premises, unless within three months of the date of the commencement of this Act he has paid all arrears of rent due by him in respect of the said premises, and also unless he pays the rent due by him in conformity with the provisions of this Act within the time fixed in the contract with his landlord, or, in the absence of any such contract, by the fifteenth day of the month next following that for which the rent is payable. Provided however that where the tenant does not pay the rent regularly or where the tenant is a defaulter in spite of deposit of rent with Controller but upon being served with a summons for the recovery of possession tenders the rent in arrear or the balance of the standard rent recoverable by the landlord such tender will preclude the landlord from obtaining an order for the recovery of possession.

Power of Court to receive order in certain cases.

12. Where any order or decree of the kind mentioned in section 11, sub-section (*1*), has been made on or after the 1st day of April, 1927, but not executed before the date of the commencement of this Act, and if such order or decree could not have been made if this Act had been in operation at the date of the making of the order or of the passing of the decree, the Court may rescind or vary the order or the decree, as the case may be, in such manner as the Court may think fit, for the purpose of giving effect to this Act.

Issue of distress warrants and other processes barred in certain cases.

13. No distress warrant shall be issued under Chapter VIII of the Presidency Small Cause Courts Act, 1882, and no process under the Code of Civil Procedure, 1908, in execution of a decree passed *ex parte* thereunder, shall be issued, either for the attachment of property, or for the arrest of any tenant, in connection with recovery of rent of any premises situated in any area to which this Act may apply, unless

(*Clauses 14, 15.*)

the person applying for execution shall, when making his application, swear or affirm by affidavit or otherwise that none of the rent, in respect of which execution is applied for, is irrecoverable under this Act.

Rent which should not have been paid may be recovered.

14. (*1*) Where any sum has, after the date of the commencement of this Act, been paid on account of rent, being a sum which is by reason of the provisions of section 15 of this Act irrecoverable, such sum shall at any time within the continuance of this Act be recoverable by the tenant by whom it was paid from the landlord who received the payment, and may, without prejudice to any other method of recovery, be deducted by such tenant from any rent payable by him to such landlord.

(*2*) In this section the expression landlord includes, in the case of joint family property, the joint family of which the landlord, if deceased, was a member.

Duties and powers of the Controller.

15. (*1*) The Controller shall, on application made to him by any landlord or tenant, grant a certificate certifying the standard rent of any premises leased or rented by such landlord or tenant, as the case may be.

(*2*) The Controller may, on application by any tenant or occupant of a room or rooms in a hotel, boarding house, or lodging house, fix the rent or charge at such sum as, having regard to the provisions of this Act and the circumstances of the case, including the cost of food, furniture, and service, and the rent or charge paid for such room or rooms on the first day of April, 1927, he deems just.

(*3*) In any of the following cases, the Controller may fix the standard rent at such amount as, having regard to the provisions of this Act and the circumstances of the case, he deems just :—

(*a*) where by reason of any premises having been let at one time as a whole and at another time in parts, or where a tenant has sublet the whole or a part of any premises let to him, or where for any reason any difficulty arises in giving effect to this Act ;

(*b*) where any premises have been, or are let rent free, or at a nominal rent, or for some consideration in addition to rent ;

(*c*) where the rent paid on the first day of April, 1927, or where the premises were not let on that date, the rent at which the premises were last let before that date was low or did not represent the fair rent ; or

(*d*) where there has been a change in the condition of any premises or a change in the condition of the neighbourhood or an increase in the municipal rates taxes or cesses in respect of any premises since the 1st day of April, 1927, or during the continuance of this Act :

Provided that under clause (*d*) the controller shall not increase the rent by more than ten per cent. per annum on the amount expended on the improvement or structural alteration of the premises as provided for in section 5.

(*4*) Before exercising any of the powers conferred on him by this Act, the Controller shall give notice of his intention to the landlord and tenant, if any, and shall duly consider any application received by him from any person interested within such period as shall be specified in the notice.

(*5*) All orders of the Controller passed under this Act shall be in writing, and a certified copy thereof shall be affixed to some conspicuous part of the premises to which

Such copy shall be admissible in evidence in any Court of Law to prove the order of the Controller.

Power of entry.

16. For the purpose of any inquiries under this Act the Controller, or any person duly authorised by the Controller in writing either generally or specially in this behalf, may enter any building or land with or without any assistants between the hours of 9 a.m. and 6 p.m. :

Provided that no building shall be so entered, without the consent of the occupier, unless twenty-four hours' previous notice in writing has been given.

Power to require information and to summon witnesses.

17. (1) For the purposes of any inquiry under this Act, the Controller may by written order require any person—

(a) to furnish him with particulars, in such form, within such time, and at such place, as may be specified in the order, as to the rent at which, and the manner in which, any premises were let in the year 1922 or subsequently, and as to any other matter relevant to the inquiry ;

(b) to produce for his inspection such accounts, rent receipts, books or other documents relevant to the inquiry, at such time and at such place, as may be specified in the order.

Appeal in respect of Controller's order before the President of the Tribunal, or the Civil Court.

18. If the decision of the Controller fixing the standard rent for any premises is questioned, either the landlord or the tenant may, in respect of premises in Calcutta, appeal in respect of such order to the President of the Tribunal appointed under section 72 of the Calcutta Improvement Act, 1911, and, in respect of premises outside Calcutta, to the principal Civil Court of original jurisdiction in the district. A certified copy of the order of the Controller shall be filed with the memorandum of appeal. The memorandum of appeal shall bear a Court fee stamp of eight annas. Any such memorandum shall be filed within thirty days from the date of the order passed by the Controller. The time taken in obtaining a certified copy of the order of the Controller shall be excluded in computing the period in which the memorandum must be filed. The decision of the President of the Tribunal, or of such other Court as aforesaid, shall be final.

Penalty for recovering rent in excess of the standard rent.

19. (1) Whoever knowingly receives, whether directly or indirectly, on account of the rent of any premises any sum in excess of the standard rent or any fine, premium, or any other like sum in addition to the standard rent, except as provided in section 10, shall, on the complaint of the party aggrieved, be liable, on the first occasion, to a fine which may extend to five hundred rupees, and on a second or subsequent occasion, in regard to the same, or any other premises, to a

fine which may extend to one thousand rupees, to be imposed, after summary inquiry, by the President of the Tribunal, or the principal Civil Court, as the case may be.

(*2*) A person shall be deemed to receive a sum in excess of the standard rent, if he receives any consideration representing a money value in excess of such standard rent.

Penalty for disturbance of easements, etc.

20. Whoever, in any case in which an order or decree for the recovery of any premises is prohibited under section 11 without the previous written consent of the Controller, or save for the purpose of effecting repairs or complying with any municipal requisition, wilfully disturbs any easement annexed to any premises, or removes, destroys, or renders unserviceable anything provided for permanent use therewith, or discontinues any supply or service comprised in such rent, shall, on the complaint of the party aggrieved, be liable, on the first occasion, to a fine which may extend to five hundred rupees, and on a second or subsequent occasion, in regard to the same, or any other premises, to a fine which may extend to one thousand rupees, to be imposed, after summary inquiry, by the President of the Tribunal or the principal Civil Court, as the case may be.

Fine to be recovered by distraint and sale of movable property.

24. In dealing with the appeals from the decisions of the Controller, the President of the Tribunal or the principal Civil Court shall follow, as nearly as may be, the procedure laid down in the Code of Civil Procedure, 1908, for the hearing of appeals and the President of the Tribunal or the principal Civil Court shall have all the powers of an appellate court as laid down in the Code of Civil Procedure, 1908, while dealing with such appeals.

Corporation of Calcutta, or local authority not to raise assessment.

25. During the continuance of this Act, the Corporation of Calcutta, or any other local authority shall not raise its assessment of any premises above the standard rent on the ground of the increase of rent or value.

STATEMENT OF OBJECTS AND REASONS.

With the discontinuance of the Calcutta Rent Act, 1920, the condition of tenants in Calcutta has become worse than before, more particularly with regard to (*1*) fixity of rent and (*2*) security of tenancy. Although landlords are entitled to a legitimate increase in the return upon their investment in house property, the disparity of position as between landlord and tenant very often leads to an abuse of legal rights, and tenants are left without any protection against the rapacious and unreasonable demands of landlords. Monthly tenants require some measure of statutory help against uncertain and precarious tenancy as also against extortionate demands for increase of rent. The object of this Bill is to remedy the aforesaid and other evils attending tenancy conditions in the City.

Definitions.

2. In this Act, unless there is anything repugnant in the subject or context,—

(*1*) "land at the disposal of Government" means all unoccupied land, whether assessed or unassessed, and all land which was used formerly for pasture but has subsequently been encroached; and

(*2*) "cattle" means bulls, buffaloes, cows, bullocks, calves and heifers.

CHAPTER II.

Extent and acquisition of pasturage.

Power to constitute pasturages.

3. The Local Government may constitute any land at the disposal of Government to be pasturage in the manner hereinafter provided.

Register in every district.

36. Every Collector shall maintain a permanent record of all pasture lands in his district in which all additions and alterations shall be noted. It shall be kept open for inspection by the public every day at such hours as the Collector may prescribe.

List of pasturages by settlement and survey officers.

37. All settlement officers and survey officers shall, in preparing the record of settlement and survey, make a separate list of pasturages showing all the details mentioned in section 34 which shall be regularly published at the end of each settlement or survey operation.

CHAPTER VII.

Miscellaneous.

Punishment for encroachment.

38. If any pasture land, constituted or recovered under the provisions of this Act, is encroached on by any person, the Secretary of the village board or the local authority within whose limits such pasture lands are situate shall institute proceedings before a Magistrate having jurisdiction in the locality, who, on the offence being proved, shall convict and sentence the person to pay a fine which may extend to two hundred and fifty rupees.

The Magistrate shall, in case of conviction, order payment of compensation to the village board or to the local authority out of the fine as may appear to him just considering the cost incurred by that village board or local authority.

Realisation of fine.

39. In case of non-payment, the fine may be realised by any of the processes laid down in the Code of Criminal Procedure, 1898, as amended by Act XVIII of 1923, and the amount of compensation ordered under section 38 shall on realisation be paid to the village board or to the local authority, as the case may be. Act V of 1898.

Rules.

40. (*1*) The Local Government may make rules to carry out the purposes of this Act.

(*2*) In particular and without prejudice to the generality of the foregoing power such rules may prescribe—

(*1*) the form of keeping accounts ;

(*2*) the form of receipts to be granted to payees ; and

(*3*) the form in which the extent, situation and boundaries, etc., of pasture lands are to be kept.

STATEMENT OF OBJECTS AND REASONS.

The Bill intends to secure the right of pasturage in lands formerly used as such but since encroached for cultivation or otherwise. The need for such a measure will be apparent on reading cattle census reports and settlement reports of various provinces which complain of the serious want of pasturage and encroachment of land for cultivation. Similarly one of the causes ascribed for the deterioration of cattle of this country has been the gross inadequacy of pasture land which is also considered to be a circumstance adverse to cattle breeding. The grazing that exist in this country now are very poor both in quality and in quantity. The proportion of grazing lands to the total land area of India is the minimum of all the countries being 1 : 27, whereas the proportion in Japan is 1 : 6, in Germany 1 : 6, in New Zealand 1 : 3. The great shortage of pasture land will also be apparent from a comparison of the number of acres that is available for grazing per head of cattle in different countries. It is only ·17 in Bengal and a little more in other provinces in India, 1·6 in the United States of America, 1·35 in New Zealand and 1·44 in Germany.

General Provisions.

Conditions under which compensation recoverable.

7. No compensation shall be granted under this Act except upon a claim made within one month from the date of the death, grievous hurt, loss or damage in respect of which such claim is made and unless the Chief Presidency Magistrate or the Magistrate of the district, as the case may be, is satisfied that the person claiming compensation is himself free from blame in respect of the occurrences which led to the death, grievous hurt, loss or damage as aforesaid. Bar to maintaining civil suit.

8. No civil suit shall be maintainable in respect of any loss or injury for which compensation has been granted under this Act. [*Cf.* Bomb. City Police Act, 1902, s. 45(*4*); and Bomb. Dist. Police Act, 1890, s. 25A (*5*).]

STATEMENT OF OBJECTS AND REASONS.

1. The object of this Bill is to compensate sufferers from acts of unlawful assemblies including those of a communal nature as occurred in the town of Dacca and its vicinity in May, 1930, and Kishoreganj, subdivision of Mymensingh district, shortly thereafter. The estimated loss or damage caused to property in Dacca and its vicinity comes up to about half a crore and in Kishoreganj also, it is very heavy. Families have been ruined not only by loss or damage caused to their property but also by death of earning members.

2. There is no law in Bengal at present for awarding compensation in cases as aforesaid. The ordinary Civil Courts are of no help to the sufferers. Section 45 of the Bombay City Police Act, 1902, and section 25A of the Bombay District Police Act, 1890, provide a speedy machinery to award compensation to sufferers for injury caused by acts of an unlawful assembly. Section 15A of the Police Act, V of 1861, which applies to Bengal is not applicable to cases which this Bill is expected to meet and, therefore, it has been modelled on the relevant sections of the Bombay City Police Act, 1902, and the Bombay District Police Act, 1890, as noted in the margin of the Bill. It is hoped that if the Bill becomes an Act of the Bengal Legislature not only deserving sufferers may be awarded compensation by the Executive authorities but also it may check future disturbances of the public peace.

3. The Act has been divided in three parts. Part I deals with the town of Calcutta. Part II applies to the rest of Bengal. Part III is general and contains the necessary provision to save claims of sufferers from riotous occurrences from being time-barred.

THE BENGAL RHINOCEROS PRESERVATION BILL, 1932.

A

BILL

to provide for the preservation of wild rhinoceros.

WHEREAS it is expedient to provide for the preservation of wild rhinoceros in Bengal ;

It is hereby enacted as follows :—

Short title and extent.

(*2*) It extends to the whole of Bengal.

Killing, injuring or capturing of wild rhinoceros prohibited.

2. No person shall kill, injure or capture, or attempt to kill, injure or capture, a wild rhinoceros, unless—

(*a*) in defence of himself or some other person ; or

(*b*) with the permission of the Local Government given in a license issued under rules to be made in this behalf by the Local Government.

Penalty for contravening section 2.

3. (*1*) Whoever in contravention of section 2, kills, injures or captures, or attempts to kill, injure or capture, a wild rhinoceros, shall be punished with imprisonment for a term which may extend to one month or with fine which may extend to one thousand rupees or with both.

(*2*) Whoever having been convicted of an offence under sub-section (*1*) of this section, is again convicted of an offence thereunder shall be punished with imprisonment for a term which may extend to six months or with fine which may extend to two thousand rupees or with both.

4. Every wild rhinoceros killed or captured by any person otherwise than with the permission of the Local Government given under section 2, and all parts of such rhinoceros shall be the property of the Local Government.

Duty to report killing, injuring or capturing of rhinoceros.

5. In the event of any person killing, injuring or capturing a wild rhinoceros in defence of himself or of some other person, he shall within three days of such event report the fact in writing to the officer-in-charge of the nearest police-station or to the Forest Officer or the District or Subdivisional Magistrate within whose jurisdiction the event took place.

Penalty for contravention of section 4.

6. Whoever without reasonable excuse omits to make the report referred to in section 5, shall be punished with fine which may extend to five hundred rupees.

Amendment of Act VIII of 1912.

7. The Wild Birds and Animals Protection Act, 1912, shall, in its application to Bengal, be amended as follows, namely :—

In clause (*ii*) of the Schedule to the said Act the word "rhinoceroses," shall be omitted.

STATEMENT OF OBJECTS AND REASONS.

The object of the Bill is to provide for adequate protection for wild rhinoceroses in Bengal. It has been found that illicit killing of rhinoceroses is on the increase on account of the high prices offered for their horns and unless adequate protection is afforded, the animal is likely to become extinct in Bengal in the near future. The Wild Birds and Animals Protection Act, 1912, under which the animal is at present protected, does not provide adequate penalties for illicitly killing, injuring or capturing rhinoceroses and the object of the present Bill is to provide adequate penalties and to prevent the extinction of the animal.

Proclaimed wild elephants may be killed.

"5A. The Collector or Deputy Commissioner of any district, if satisfied that any wild elephant has become dangerous to human life and property, may, subject to such rules as may for the time being be in force under this Act, issue a proclamation giving a description of the elephant and offering the reward fixed by the Local Government from time to time for the killing of proclaimed wild elephants to any person who shall kill the elephant described in the proclamation."

Amendment of section 6.

5. After clause (*d*) of section 6 of the said Act the following clause shall be inserted, namely :—

"(*e*) the issue of a proclamation under section 5A."

STATEMENT OF OBJECTS AND REASONS.

Section 3 of the Elephants Preservation Act, 1879, forbids the killing of wild elephants by any person except in certain cases, for instance, when a wild elephant is found injuring houses or cultivation, or under a license granted under the Act. In this Presidency licenses are not granted permitting the licensees to kill wild elephants, but when it is reported that a particular wild elephant has become a rogue and attacks human beings and does mischief to property, it is proclaimed, *i. e.*, a description of it is given in a published notice and a reward is offered for killing it. It is desirable that an express provision should be made in the law to validate the existing practice of proclaiming wild elephants, which have become dangerous to human life and property and hence it is proposed to amend the Act by a local Act, under section 80A (*2*) read with section 80A (*3*) of the Government of India Act.

Bills introduced in the Council of State and Legislative Assembly, Reports of Select Committees presented to the Council and Assembly and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 28th January, 1932 :—

L. A. BILL NO. 1 OF 1932.

A Bill to amend the Indian Companies (Amendment) Act, 1930, for a certain purpose.

WHEREAS it is expedient to amend the Indian Companies (Amendment) Act, 1930, for the purpose hereinafter appearing; It is hereby enacted as follows :— XIX of 1930.

Short title.

1. This Act may be called the Indian Companies (Supplementary Amendment) Act, 1932.

Amendment of section 2, Act XIX of 1930.

2. In the proviso substituted by sub-clause (*ii*) of clause (*a*) of section 2 of the Indian Companies Amendment Act, 1930, for the words " whereof the partners all," the words " whereof all the partners practising in India " shall be substituted. XIX of 1930.

STATEMENT OF OBJECTS AND REASONS.

The proviso to section 144 (*1*) of the Indian Companies Act, 1913, as amended by the Indian Companies (Amendment) Act, 1930 (Act XIX of 1930), lays down that a firm whereof the partners all hold auditor's certificate may be appointed by its firm-name to be auditor of a company and may act in its firm-name. Act XIX of 1930 has not yet been brought into force, but the attention of the Government of India has been drawn to the fact that certain accountant firms doing business in India have partners who do not visit India. As the proviso stands, such firms will in future be debarred from appointment as auditors of a company in India in their firm-names, unless each partner, whether resident in India or abroad, is granted an Indian auditor's certificate, an obligation which it is undesirable to impose. The object of the Bill is to remove the defect.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 3rd February, 1932 :—

L. A. BILL NO. 3 OF 1932.

A Bill to amend the Indian Finance (Supplementary and Extending) Act, 1931, for a certain purpose.

WHEREAS it is expedient to amend the Indian Finance (Supplementary and Extending) Act, 1931, for the purpose hereinafter appearing ; It is hereby enacted as follows :—

Short title.

1. This Act may be called the Indian Finance (Supplementary and Extending) Amendment Act, 1932.

Amendment of section 7, Indian Finance (Supplementary and Extending) Act, 1931.

2. To section 7 of the Indian Finance (Supplementary and Extending) Act, 1931, the following sub-section shall be added, namely :—

"(*3*) For the purpose of assessing and collecting the taxes imposed by sub-section (*1*), the Indian Income-tax Act, 1922, shall be deemed to be subject to the adaptations set out in Part IA of Schedule II to this Act." XI of 1922.

Amendment of Part I, Schedule II to the Indian Finance (Supplementary and Extending) Act, 1931.

3. After Part I of Schedule II to the Indian Finance (Supplementary and Extending) Act, 1931, the following Part shall be inserted, namely :—

"PART IA.

(*See section 7.*)

Adaptations to provide for the summary assessment of such incomes.

1. The Income-tax Officer may, save where he has served a notice under sub-section (*2*) of section 22 of the Indian Income-tax Act, 1922, make a summary assessment of the income of an assessee to the best of his judgment and shall serve on the assessee a notice of demand in a form to be prescribed by the Central Board of Revenue ; and such notice shall be deemed to be a notice of demand under section 29 of that Act.

2. Any assessee in respect of whom such summary assessment has been made may, within thirty days of receipt of the notice of demand, make an application to the Income-tax Officer for the cancellation or revision of the assessment, and the Income-tax Officer shall, after examining any accounts and documents and hearing any evidence which the assessee may produce, and such other evidence as the Income-tax Officer may require, determine, by order in writing, the amount of the tax, if any, payable by the assessee, and such determination shall be final :

Provided that, if any assessee making such application files therewith a return of his income under sub-section (*2*) of section 22 of the Indian Income-tax Act, 1922, the application shall be deemed to be a return under that sub-section and shall be dealt with accordingly.

3. A copy of an order under paragraph 2 shall be served on the assessee to whom it relates and shall be deemed to be a notice of demand under section 29 of the Indian Income-tax Act, 1922.

4. The above procedure shall apply also to the assessment and collection during the financial year 1932-33 of incomes of Rs. 1,000 and upward and less than Rs. 2,000 which have escaped assessment in the financial year 1931-32."

STATEMENT OF OBJECTS AND REASONS.

This Bill is intended to enable the assessments of incomes exceeding Rs. 1,000 but not exceeding Rs. 1,990 to be carried out expeditiously and economically with the minimum of labour and inconvenience alike to the assessees and to the assessing officers, by reintroducing provisions for the summary assessment of these low incomes such as found a place in the Income-tax Act of 1918.

2. It reproduces the provisions of section 30 of the 1918 Act with one important exception, namely, that the assessment notice is now to be served personally in the ordinary way in each case, whereas under the Act of 1918 notice of assessment could be given by posting lists in a public place or other similar methods of publication by which it seems likely that the fact of assessment might not be brought effectively to the notice of those concerned, many of whom may not be fully literate.

3. It will be observed that it is left to the option of every assessee either to accept the summary assessment, after representing to the Income-tax Officer any objection that he may take to it, or to claim assessment on a return of income according to the usual procedure.

Resolution reviewing the reports on the working of municipalities in the Bengal Presidency during the year 1930-31.

GOVERNMENT OF BENGAL.

Local Self-Government Department.

CALCUTTA, THE 14TH MARCH 1932.

RESOLUTION No. 1035M.

Minister-in-charge: The Hon'ble Mr. Bijoy Prasad Singh Roy.

Number of municipalities.—There are at present 117 municipalities in Bengal, excluding Calcutta, which lies entirely outside the scope of this Resolution. The only changes made in their boundaries were local variations in English Bazar and Madaripur.

2. **Elections.**—General elections were held in 36 municipalities and aroused a fair measure of interest in most of them. It will be noticed that though triennial elections from a common starting point should have resulted in general elections throughout the province in the same year, these are trailing out to an average year by year. The reason lies in the tendency to delay reconstitution of the board over the formalities of election and the intervention of the Civil Courts. The last Dacca Municipal Board, for instance, remained in office for over five years before reconstitution could be completed.

3. **Municipal meetings.**—Some measure of the deliberative activity of municipal boards may be found as usual in the number of their meetings—2,426 with only 129 failures for want of a quorum. The Bansbaria Board seems to have made rather a travesty of procedure with 151 meetings for a township of 6,000 population, while on the other hand the Municipal Board of Arambagh, a town from which so many complaints about public health have been heard in the Legislative Council, met only eight times in the year to tackle its own local problems. Six other small townships also recorded less than one meeting a month.

4. **Population and rate-payers.**—When discussions about franchise are so much in the air it is always useful to get back to the actualities of the municipal population and voting strength in Bengal outside Calcutta. The total population in these towns, most of which include quasi-rural areas, was only 2,113,907, or 4·23 per cent. of the total population of the province and of this urban population only 337,380 were rate-payers.

5. **Rates and taxes.**—As was observed last year, in the absence of statistics of rateable value there has been no attempt to base comparisons on the proceeds per cent. of rates analogous to the "penny rate" in various towns. For instance, on a rough survey from data available, Chittagong with a population of 50,000 shows an annual rateable value (on which the percentage payable is fixed) of Rs. 10,79,000, Dacca with a population of 118,000, an annual rateable value of Rs. 21,85,000 and Búrdwan with a population of 34,616, a rateable value of Rs. 9,82,000. As is only to be expected rateable values as determined by assessment are on the low side, and assessment would appear to be pitched lower in Dacca, for instance, than in Burdwan. These figures are given however rather as suggesting a new line of approach than as authoritative in results.

The average incidence of taxation per head of population in urban areas has fallen from Rs. 3-8-10 to Rs. 3-3-9. Darjeeling has regained its position at the head of this scale with incidence of Rs. 12-15-3 per head of population followed by Kurseong (Rs. 10-0-9) and Howrah (Rs. 8-13-2). Burdwan is the only other municipality in which this figure exceeds Rs. 5 and it falls as low as 8,, 7 and even 4 annas in some of the rural centres which still cling to a municipal constitution.

6. **Collections.**—The figures of the municipal tax collector for 1930-31 show the first effect of economic depression on municipal finances in a marked decrease in total realisations. These totalled only Rs. 68·27 lakhs against Rs. 71·51 lakhs in the previous year with a percentage on current demand of 88·4 against 92·87. It would be unprofitable to pick out the townships on which the shadow has fallen first, most of them among the smaller in the province. Notwithstanding this tendency there were as usual two or three towns which in the effort to work off arrears realised more than one year's demand, and Midnapore is conspicious with realisations of 107 per cent. on its annual demand. Naturally the total outstanding arrears increased by approximately the same figure as the fall in collections and stood at Rs. 22·48 lakhs at the end of the year. At the worst of times, and they were far from having been reached in March 1931, it would be a poor picture of municipal administration that shows in the province as a whole, one rupee of the previous year's taxes uncollected for every three in the demand for the current year, but that was already the position in the year under review.

7. **Income and expenditure.**—The overall figures for receipts including opening balance and expenditure were Rs. 109·9 lakhs against Rs. 132·4 lakhs and Rs. 96·75 lakhs against Rs. 117·6 lakhs in the previous year. These figures are not of much value without detailed analysis, but the fact remains that municipal expenditure outside Calcutta fell to about Rs. 4·6 per head of urban population and amounts now to considerably less than one-fourth of the total expenditure and under one-seventh of expenditure per head of urban population in the metropolis.

8. **Education.**—The total expenditure on education including the Government grant of Rs. 1·21 lakhs, rose from Rs. 4·8 lakhs in the preceding year to Rs. 5·15 lakhs, the expenditure on primary education showing a corresponding increase of Rs. 1,43,000. The increase in the total expenditure was most marked in Kusthia (Rs. 4,695)

and this was due to the construction of a pucca building for the municipal school. There were also noticeable increases in Naihati (Rs. 2,617) and Rangpur (Rs. 1,579). The increase in the former was due to the extension of free primary education, while that in the latter has not been explained. The expenditure fell considerably in Jalpaiguri (Rs. 3,745) and there was no expenditure under this head in the new municipality of Dum-Dum and in the small municipality of Gouripur. Twelve municipalities spent less than 3·2 per cent. of their ordinary income, which is the minimum proportion a municipality is expected to spend on primary education, while the ratio was over 10 per cent. in 25 municipalities. In Berhampur, one free primary school of the Biss type was started in addition to the existing ones and another was nearing completion. The Commissioners of the Chittagong Municipality, the most progressive of all the municipalities in the matter of primary education, are still trying to introduce a scheme for free and compulsory primary education for girls. The Dacca Municipality established two town girls' schools and maintained three primary schools for boys under Mr. Biss' scheme, while Jhalakati paid a contribution of Rs. 1,005 towards the cost of contruction of a house for the local girls' school.

9. **Water-supply.**—The total expenditure under this head was Rs. 11·34 lakhs against Rs. 17·75 lakhs in the previous year showing a decrease of Rs. 6·4 lakhs; but the figures for expenditure on urban water-supply vary somewhat erratically as individual projects are completed or accounted for year by year. Adjustments of this nature in Raniganj and Dacca go far to account for the decrease. The completion of the Asansol waterworks with their new system of decentralised supply to private connections was the most noticeable achievement of the year. Extensions of the existing system were carried out in Dacca, Narayanganj and Chandpur, but difficulties encountered in the past with the Comilla system are reported to have had a discouraging effect in Bramanbaria in the same district, which abandoned any idea of constructing new works. The tendency of small towns to have recourse to local tube wells at least as readily as to supply by pipe-system from a central source, which was commented on last year, is still in evidence and may perhaps do something to alleviate the set-back arising from the enforced postponement of new capital projects which was recognised to be necessary shortly after the period under review.

10. **Conservancy and drainage.**—The total returns of expenditure on conservancy and drainage were Rs. 25·14 lakhs and Rs. 5·58 lakhs respectively, against Rs. 23·76 lakhs and Rs. 3·59 lakhs in the previous year. These figures do not however distinguish very clearly the cost of town cleansing by manual methods, capital and recurring expenditure on sewerage, and that on the ordinary surface drain. Much less do they present any opportunity for comparing the unit cost of manual cleansing between one town and another, no kind of statistics being kept of quantities removed. It remains only to comment, and comment year by year, on the inveterate practice of meeting part of the conservancy costs out of general rates (to the amount of Rs. 5·53 lakhs or at least 25 per cent. of conservancy charges proper in the year under review) and of pocketing latrine revenues for general purpose in the few towns where they exceed requirements. Completion of drainage work at Bhatpara accounts for the marked fall under this head.

11. **Lighting.**—The gradual extension of electric lighting to the streets of district headquarter towns, as local supply companies are formed, continues to be a feature of interest under this head. It is only too characteristic of the spirit in which municipal boards are apt to approach such improvements that two towns have introduced electric lighting without raising funds through the rate which is there for the purpose. A dispute with the Electric Supply Company has extinguished the lamps in one of them.

12. **Public Health.**—It is difficult to review in a few words miscellaneous activities in the field of public health of over a hundred urban authorities ranging in population from over 100,000 to below 5,000; and it should be mentioned that the narrative report of Howrah town where public health presents the biggest problem of all, comes too late for inclusion in this survey. There is the same evidence of active attention to

these responsibilities in the generality of towns as in previous years. Expenditure on the statutory sanitary staff of Health Officers and Sanitary Inspectors remained at Rs. 1·9 lakhs. The Food Adulteration Act was on the whole energetically administered resulting, for instance, in the destruction of 176 maunds of unwholesome foodstuff in Dacca town and seventy prosecutions in Chittagong. Government however have had occasion to express disapproval of the unauthorised practice of compromising cases under this Act. Disinfections of wells and privies, especially in times of emergency, went on with varying degrees of efficiency in large towns and small. Epidemics of cholera and small-pox, the general character of which will be more appropriately dealt with in the report on Public Health, were met with the usual energy, and (whatever the general level of routine functions) Commissioners' reports agree that when these special emergencies came they are effectively encountered. Inoculation against cholera continues to make way in public favour at least in the immediate vicinity of the disease. Vaccination against small-pox is more securely established and was performed in large numbers by the vaccinators in affected towns; but a series of prosecutions in Bhatpara illustrates the steady pressure required to ensure regular vaccination of infants. *Dai* training classes were maintained in several towns with a Government grant, but maternity welfare work is less prominent in the reports than is to be desired; and the Minister would be glad to find more extensive mention of propaganda work such as the Baby Week Exhibition and maternity clinics, which it is believed are now organised in many towns with the assistance of the Bengal Health Week Committee.

13. **Public Works.**—The total expenditure on public works fell from Rs. 11·4 lakhs to Rs. 10·79 lakhs, this being entirely due to a decrease of Rs. 66,000 in expenditure on roads. The roads affected are naturally for the most part local roads only of importance to the townspeople themselves, but in the 24-Parganas district the problem of the liability of individual municipalities for the maintenance of a main road carrying through traffic has assumed an entirely new prominence owing to the expansion of motor traffic.

14. **Loans.**—The loans statistics serve well to illustrate the petty scale of capital works and limited credit of Bengal municipalities. Thirty-six municipalities were in debt to Government at the close of the year and their total indebtedness amounted only to Rs. 23,47,830. The total borrowing during the year amounted only to Rs. 1,80,000 in loans to three towns for waterworks while three other towns paid off the balance of their loan account. The net result was a further contraction of Rs. 2·7 lakhs in total indebtedness on the figures of the previous year, and there can be little doubt that, with the inability of Government to lend and the inability of the towns to raise loans in the open market, they will continue to repay more than they borrow for the next year or two.

15. **Audit of accounts.**—It is perhaps not sufficiently recognised that Government provide a free annual audit for municipal accounts, and only six municipalities were omitted from the audits of the year under review. The annual report of the Examiner of Local Accounts is now published in the *Calcutta Gazette*, and continues to present a somewhat depressing picture of the general level of municipal accounts and of the inattention of the boards to audit comments and criticisms. Audit disclosed financial irregularities in the towns of Chittagong, Burdwan, Jamalpur and Madaripur during the year which resulted in three cases in prosecution of the municipal staff.

16. **General remarks.**—There is an inevitable risk of monotony in summing up the general impression from the reports on municipalities year by year. The tides of civic progress rise slowly in the existence of a district town, and, while constitutions come and go, the Bengal Municipality remains. If there is one feature on which reports are in agreement it is that an increased measure of independence in the assessing authority, however it is to be attained, is the first essential for the proper development of these local bodies. Therein lies the distinction between district board and municipality. The latter alone enjoys the full measure of self-government which comprehends self-taxation, and too often through subservience to the pressure of rate-payer or municipal council the assessing authority fails to exercise its functions with strictness of

judgment and independence of vision. Where self-taxation fails local self-government fails, and the only remedy lies in devising a system which, while leaving the deliberative body full discretion as to the principles and scale of taxation, prevents the assessing authority from undue interference in the contentious task of valuation. The Minister hopes soon to place before Council a general measure for the amendment of the Bengal Municipal Act and the opportunity will then arise of finding some solution of this difficult problem. This Bill which is based on that of 1925 with adjustments made on the advice of a Committee appointed in 1931 will deal comprehensively with the revision of the Bengal Municipal Act.

The names of the following Chairmen, Vice-Chairmen and Municipal Commissioners have been brought to the notice of Government on account of good work done by them, and the Government of Bengal, Ministry of Local Self-Government, desire to express their appreciation of the public spirit shown by these gentlemen :—
